Xena Robert Weisbrot,1998 A behind the scenes guide to the television show that has become a cult classic **An Index to Robert Weisbrot's Xena: Warrior Princess: the Official Guide to the Xenaverse** Michael Klossner,1998 **The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality** K. Moore,2022-08-22

This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality It explores ancient representations of these concepts as we define them today as well as recent perspectives that have been projected back onto antiquity Beginning in antiquity the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence available to us and chart the varied interpretations and receptions of these concepts across time to the present day In exploring how different cultures have received the classical past the volume investigates these cultures different interpretations of Greek and Roman sexualities and what these interpretations can reveal about their own attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions to TikTok videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly Television Finales Douglas L. Howard,David Bianculli,2018-11-13 Today more than ever series finales have become cultural touchstones that feed watercooler fodder and Twitter storms among a committed community of viewers While the final episodes of *The Fugitive* and *M A S H* continue to rank among the highest rated broadcasts more recent shows draw legions of binge watching fans Given the importance of finales to viewers and critics alike Howard and Bianculli along with the other contributors explore these endings and what they mean to the audience both in terms of their sense of narrative and as episodes that epitomize an entire show Bringing together a veritable who's who of television scholars journalists and media experts including Robert Thompson Martha Nochimson Gary Edgerton David Hinckley Kim Akass and Joanne Morreale the book offers commentary on some of the most compelling and often controversial final episodes in television history Each chapter is devoted to a separate finale providing readers with a comprehensive survey of these watershed moments Gathering a unique international lineup of journalists and media scholars the book also offers readers an intriguing variety of critical voices and perspectives
