Materson, 2018-09-04 From the first European encounters with Native American women to today's crisis of sexual assault The Oxford Handbook of American Women's and Gender History boldly interprets the diverse history of women and how ideas about gender shaped their access to political and cultural power in North America Over twenty nine chapters this handbook illustrates how women's and gender history can shape how we view the past looking at how gender influenced people's lives as they participated in migration colonialism trade warfare artistic production and community building Theoretically cutting edge each chapter is alive with colorful historical characters from young Chicanas transforming urban culture to free women of color forging abolitionist doctrines Asian migrant women

defending the legitimacy of their marriages and transwomen fleeing incarceration Together their lives constitute the history of a continent Leading scholars across multiple generations demonstrate the power of innovative research to excavate a history hidden in plain sight Scrutinizing silences in the historical record from the inattention to enslaved women s opinions to the suppression of Indian women s involvement in border diplomacy the authors challenge the nature of historical evidence and remap what counts in our interpretation of the past Together and separately these essays offer readers a deep understanding of the variety and centrality of women s lives to all dimensions of the American past even as they show that the boundaries of women American and history have shifted across the centuries

CWGS Journal of Gender Studies,2009-06 *Stand!* Lim,1999 Global Politics Ben Whitham,Andrew Heywood,2023-03-31 In turbulent global times your study of this subject is increasingly necessary and urgent Featuring a new chapter on critical theories and revised to take a less Eurocentric approach to concepts and case studies this new edition allows you to tackle global politics important concepts debates and problems How can theories help us to understand the politics of a global pandemic Do we live in a post truth world of fake news and disinformation Does international aid work Does the United States remain a global hegemon What is the Anthropocene and how does it shape global politics Are global politics constrained by a North South divide What are the possible futures of global politics and the politics of outer space Delving into topics as diverse as anarchy intersectionality Confucianism and neoconservatism boxed features give you confidence in political analysis Focus on learn more about the global colour line or the tragedy of the commons Key figures discuss the ideas of Hans Morgenthau Frantz Fanon or bell hooks Debating argue whether the United Nations are obsolete or whether nuclear weapons promote peace Global politics in action apply your learning to the migration crisis in Europe or the Arab Spring Approaches to consider human rights or the Covid 19 pandemic from the perspective of realist liberal postcolonial Marxist feminist constructivist and post structuralist theory Global actors understand the significance of Black Lives Matter Amnesty International or the International Monetary Fund Spanning the development of global politics from the early origins of globalization through to the return of multipolarity in the twenty first century this is an essential text for undergraduates studying global politics and international relations

Global Norms Concerning Women's and Children's Rights and Their Implications for State-citizen Relations Karen Brown Thompson,1997 **Gender Identities in a Globalized World** Ana Marta Gonzalez,Victor J. Seidler,2008-12-16 This cross disciplinary collection of essays focuses on gender from multiple perspectives touching on a variety of aspects that range from specific tendencies such as fashion to general trends connected to globalization human dignity and world migration The main themes include human rights political economy cultural diversity democracy immigration dignity care and shifts in hegemonic male models of societies The volume differs from others published on gender as it focuses on the impact of globalization on gender identities and examines the potential for global masculinities and feminisms as well as the implications that these might have on the local level The multidisciplinary

approach allows for analysis of the topic from several different points of view and methodologies The pioneering studies in this unique volume will be of great interest to sociologists feminists philosophers and scholars and students of gender identity and globalization trends *Gender, Globalization, & Democratization* Rita Mae Kelly, 2001-03-14 Women's voices and experiences from around the world are brought to bear upon issues of globalization and democratization in this volume of strikingly original and diverse essays From the Comfort Women of Japan to the Mexican maquiladoras from the debt burdened nations of Africa to the new settler societies of Oceania the impact of globalizing forces and uneven democratization yields gender dislocations everywhere This volume charts these trends with original research first hand interviews and surveys and fresh theoretical perspectives Gender regime change may be built on the understandings begun here *Gender & Difference in a Globalizing World* Frances E. Mascia-Lees, 2010 Mascia Lees combines core components of these perspectives with insightful analyses and ethnographic examples to illustrate how global events and transformations have molded and continue to shape gender identities behaviors and expectations and produce and sustain worldwide inequalities This exemplary treatment provides a solid background to understand complex issues and to think critically about remedying uneven degrees of privilege and experiences of oppression both within and across nations Book Jacket

Encyclopedia of Law & Society: F-O David Scott Clark, 2007 Provides more than seven hundred alphabetical entries covering the interaction of law and society around the globe including the sociology of law law and economics law and political science psychology and law and criminology *Globalization, Art, & Education* Elizabeth Manley Delacruz, 2009 What can art educators contribute to the world in an age of globalization Timely research critical analyses narrative essays and case studies from 49 scholars from all over the world examine how globalization interfaces not only with art and education but also with local and regional cultural practices and identities economies political strategies and ecological environmental concerns of people around the world **Anthropology News**, 2005 **Health Communication, Gender Violence, and ICTs in Nigeria**, 2008
