Violin Virtuosos From Paganini To The 21st Century:

Violin Virtuosos Henry Roth, 1997 The singing tone and wide range of the violin have made it the archetypal musical instrument and in Violin Virtuosos violinist and music critic Henry Roth has created a work of rare insight into this singular and beloved instrument **Pioneer Violin Virtuoso in the Early Twentieth Century** Tatjana Goldberg, 2019-05-24 Tatjana Goldberg reveals the extent to which gender and socially constructed identity influenced female violinists separate but unequal status in a great male dominated virtuoso lineage by focussing on the few that stood out the American Maud Powell 1867 1920 Australian born Alma Moodie 1898 1943 and the British Marie Hall 1884 1956 Despite breaking down traditional gender based patriarchal social and cultural norms becoming celebrated soloists and greatly contributing towards violin works and the early recording industry Powell and Hall they received little historical recognition Goldberg provides a more complete picture of their artistic achievements and the impact they had on audiences Violin Secrets Jo Nardolillo, 2015-10-15 In Violin Secrets 101 Performance Strategies for the Advanced Violinist author and violinist Jo Nardolillo surveys the cutting edge of current violin technique combining tradition and innovation in one volume Blending traditional strategies that have produced generations of legendary performers with modern ideas Nardolillo reveals the secrets of today's most sought after master teachers garnered through her decade of study at top conservatories across the nation With more than a quarter century of experience teaching at the advanced level she has refined and distilled these essential concepts into clear concise step by step instructions complete with original illustrations and helpful tips Violin Secrets is an indispensable resource for any and all serious violinists The first chapter tackles the toughest challenge on the wish list of every established professional dedicated student and passionate amateur understanding why immaculate intonation is so difficult and exploring ways to achieve it Further chapters address the advanced techniques of fingerboard mapping mastering spiccato controlling vibrato playing into the curve small hand technique and navigating comfortably in high positions An extensive section on practice strategies blends concepts from learning theory sports psychology and Zen and the chapter on artistry offers insight on creating expressive phrases connecting with the audience and developing a unique artistic voice Violin Secrets examines overcoming performance anxiety choosing the right music editions being a strong section player in an orchestra leading productive chamber music rehearsals and winning auditions Violin Secrets is beautifully illustrated with original drawings by T M Larsen musical examples from the standard literature and a violinist's family tree that traces these secrets back through to the founding fathers of violin technique The Music Secrets for the Advanced Musician series is designed for instrumentalists singers conductors composers and other instructors and professionals seeking a quick set of pointers to improve their work as performers and producers of music Easy to use and intended for the advanced musician contributions to Music Secrets fill a niche for those who have moved beyond what beginners and intermediate practitioners need All Things Strings Jo Nardolillo, 2014-03-14 String players face a

bewildering array of terms related to their instruments Because string playing is a living art form passed directly from master to student the words used to convey complex concepts such as bow techniques and fingering systems have developed into an extensive vocabulary that can be complicated vague and even contradictory Many of these terms are derived from French Italian or German yet few appear in any standard music dictionary Moreover the gulf separating classical playing from fiddle bluegrass jazz and other genres has generated style specific terms rarely codified into any reference work All Things Strings An Illustrated Dictionary bridges this gap serving as the only comprehensive resource for the terminology used by the modern string family of instruments All of the terms pertaining to violin viola cello and double bass inclusive of all genres and playing styles are defined explained and illustrated in a single text Entries include techniques from shifting to fingerboard mapping to thumb position the entire gamut of bowstrokes terms found in orchestral parts instrument structure and repair accessories and equipment ornaments including those used in jazz and bluegrass explanations of various bow holds conventions of orchestral playing and types of strings as well as information on a select number of famous luthiers influential pedagogues and legendary performers All Thing Strings is expertly illustrated with original drawings by T M Larsen and musical examples from the standard literature Appendixes include an extensive bibliography of recommended reading for string players and a detailed chart of bowstrokes showing notation and explaining execution As the single best source for understanding string instruments and referencing all necessary terminology All Things Strings is an essential tool for performers private teachers college professors and students at all levels It is also an invaluable addition to the libraries of orchestra directors and composers wishing to better understand the complexities of string playing With the inclusion of terms relevant to all four modern string instruments played in all genres from jazz to bluegrass to historically informed performance this resource serves the needs of every string musician

Nineteenth-Century British Music Studies

Bennett Zon,2019-05-23 Originally published in 1999 this volume of essays arises from the first biennial Music in Nineteenth Century Britain conference held at the University of hull in July 1997 Like the conference this book seeks to expand and reassess our current knowledge of musical life in Britain during the nineteenth century as well as to challenge the preconceptions of earlier attitudes and scholarship This volume covers a cohesive range of subjects and materials intended not only as a revision of past views and scholarship but also as a tool for further research It provides a vigorous reconsideration of the musical activity of the period

Reader's Guide to Music Murray Steib,2013-12-02 The Reader s Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian

musicology Theory and Practice in Late Nineteenth-century Violin Performance David Milsom, 2003 In this book David Milsom argues that in order to convey late nineteenth century musical style appropriately the performer needs to have a grasp of the philosophical orientation of musical thinking at that time In effect one must unlearn the value systems of the present in order to assimilate those of the late nineteenth century To arrive at a better understanding of performance in this period the book examines performing style in the German and Franco Belgian schools of violin playing from c 1850 c 1900 Milsom explores selected instrumental treatises written by noted players and theorists together with a number of recorded performances given by celebrated artists in the early years of the twentieth century to review the similarities and differences between theory and practice An accompanying CD illustrates this relationship **Henryk Wieniawski and the 19th Century Violin Schools** Maciej Jabłoński, Danuta Jasińska, 2006 *The New Amberola Graphic*, 1997 **BBC Music Magazine**, 1997 **Dictionary of World Biography: The 19th century, K-Z** Frank Northern Magill, 1998 Concise biographical information on outstanding people from the ancient world to current times providing a look at their early life life work and summary of achievements v I The ancient world v II The middle ages v III The Renaissance v IV The 17th 18 Centuries **The World of Women in Classical Music** Anne Gray, 2007 Gramophone, 2007 Soundtracks of Asian American Identity Grace Wang, 2005 **Heifetz as I Knew Him** Ayke Agus, 2001 The aged Heifetz the violinist of the century had much to tell and Ayke Agus a young woman from Indonesia Heifetz preferred from the jungles of Java absorbed it all as they shared their stories about their lives and about music making He imparted not only the legacy of his art but all his beliefs and idiosyncrasies teaching her how he held audiences spellbound how the pianist collaborates with the violinist and finally how he crafted his transcriptions the last of which they worked on together BOOK JACKET *Gramophone* Compton Mackenzie, Christopher Stone, 2007 **What it Takes to be a Successful Concert Artist** Rebecca Jackson, 2007

Historical Abstracts Eric H. Boehm, 1997 *RILM Abstracts of Music Literature* International Repertory of Music Literature (Organization), 1998 A comprehensive ongoing guide to publications on music from all over the world with abstracts written in English All scholarly works are included articles books bibliographies catalogues dissertations Festschriften films and videos iconographies critical commentaries to complete works ethnographic recordings conference proceedings electronic resources and reviews **America's Concertmasters** Anne Mischakoff Heiles, 2007 This unique book based on extensive research on more than 180 concertmasters and dozens of interviews looks at the training and personality traits that have yielded great leaders in the string sections of orchestras in the United States and Canada Includes in depth profiles of twenty two of the men and women who are the recent and present occupants of the first chair in these symphony and opera orchestras
