At the bottom, there is a dark, atmospheric illustration of a Venetian cityscape with a prominent domed church. The entire cover is framed by ornate, golden-brown floral and scrollwork patterns.

The Red Priest: The Life of Antonio Vivaldi James Fritz, 2013-08-12 Born in Venice Italy Antonio Vivaldi was one of the most influential and highly regarded Baroque composers although his fame blazed only briefly He is most remembered for his concertos particularly *The Four Seasons* but his overall production was enormous ranging from orchestral and vocal music for both secular and church settings as well as opera scores and libretti In addition Vivaldi was a master violinist and spent much of his career as an instructor at a famous institution for girls the Hospital of Mercy He was educated as a priest but poor health and probably a lack of interest in the calling encouraged him to follow another path in life During his lifetime the red haired virtuoso and opera impresario was easily among the most famous musicians in Italy this fame eventually extended throughout civilized Europe His name was sufficient to open doors to the richest and most powerful people in the Western world Before his death however his heyday
