VIP Protection Manual Executive Security International,198? Protective security measures for politicians corporate executives dignitaries government officials V I P s millionaires movie or rock stars and military leaders **Bodyguard Manual** Leroy Thompson,2005 Although military operations against terrorist forces often garner the headlines those who protect government military and business leaders from assassination or kidnapping are also in the front lines against terrorism Ready and prepared to place his body between his employer and a bullet the bodyguard must be able to blend into the milieu around his charge yet be ready to spring into action instantly to counter an attack Based on techniques of the U S Secret Service U S State Department Security the Special Air Service the Royal Corps of Military Police the Metropolitan Police the KGB and its successor the FSB France s GSPR and other protective units around the world The Bodyguard Manual details the steps a protective team takes to prevent attack as well as the tactics which are employed when it is necessary to counter an attack in progress From security aboard Concorde the Orient Express or the Queen Elizabeth 2 to protecting a military general officer in combat The Bodyguard Manual allows the reader to stand post with the professional bodyguard

A MANUAL OF PRIVATE INVESTIGATION TECHNIQUES William F. Blake,2013-02-01 This book will help the private investigator reevaluate business opportunities and identify goals for the future The world of the private investigator is constantly changing due to the introduction of various legal requirements that have restricted or eliminated some of the methods available for obtaining information such as the various privacy protection acts Additionally most private investigators have restricted their business activities to a response mode that is conducting inquiries after an incident has occurred Their preventive skills have been ignored to their financial detriment As restrictions continue to be placed on private investigative activities private investigators need to reevaluate personal skills and discover how these may relate to expanding their services This book provides the necessary information for learning about these new skill areas and provides the necessary strategies for their implementation Some of the topics cover crime and loss prevention strategies risk assessment and prevention strategies Many other topics are also covered such as that of the expert witness This is not a difficult status to attain but requires unique skill sets and experience and can be highly lucrative Crises management is another skill set that is explored here It not only identifies potential risk areas through risk assessment activities but includes development and implementation of preventive measures and shows how the private investigator can assist in restoring business operations to their normal levels This book will be of enormous help to private investigators who wish to develop these sophisticated investigative business skills and preventive services in order to meet these challenges for surviving and thriving in this modern age industry **Hostage Rescue Manual** Leroy Thompson,2005-01-08 A comprehensive illustrated overview of the dynamic operations that have saved lives in hostage situations around the world Based on strategies proven successful in numerous incidents including the landmark SAS rescue at Prince s Gate London and compiled by an author with

intimate and practical knowledge of the field this book explains why the success of a rescue is often determined in the hours leading up to confrontation Once an incident is contained a large share of the responsibility for a successful conclusion rests with the hostage negotiator whose job is to save the lives of both hostage and hostage taker But if negotiations fail it becomes necessary to send in the hostage rescue team to resolve the situation by force and skill Hostage Rescue Manual explains the complex factors that determine the entry methods undertaken by a team with discussion of the pros and cons of stealth versus dynamic approaches plus the significance of distraction in securing successful site entry Operations in widely differing locations from nuclear power plants to airliners are detailed as are the range of special weapons available to the men and women tackling each incident We learn of the multiple roles played by participants such as the use of snipers as intelligence sources With vivid photographs and diagrams of rescue units in action Hostage Rescue Manual is the complete reference work on counter terrorist procedures all over the world This revised edition updates the book with an entirely new section devoted to developments in hostage rescue among them operations in Russia and Iraq since first publication

Beyond the Bodyguard Gavriel Schneider, 2009 This book is an advanced well rounded and in depth view about what it takes to be the best in the international arena in a world where change is the only constant It is endorsed by a wide range of industry experts This well researched book will take you to higher levels enabling you to be among the best in the demanding world of the truly professional bodyguard by giving you the tools to develop and measure yourself Who would benefit from this unique and powerful book 1 Everyone who is in or wants to be involved in the close protection industry 2 Everyone in the security industry worldwide including Police military and related agencies Anti terror and counter terrorist units Current Close Protection or bodyguarding organizations Private security organizations and companies 3 High level corporate and all users of Close Protection or special security services 4 Specialist security trainers worldwide 5 Academic institutions that have security education departments 6 Security regulators and standards bodies This book is unique because it is one of the only works on the market based on scientific research principles and practical experience Beyond the Bodyguard is endorsed by a wide range of industry experts

Sins of Angels Complete Collection Matt Larkin, J.S. Morin, First they saved us Then they enslaved us Yet five hundred years after the angels vanished humanity continues to obey Professor Rachel Jordan dared to defy 3000 years of angelic doctrine teaching that the ancient angels were never the saviors they claimed to be The Redeemers self appointed guardians of angelic law branded her a heretic Hunted by zealots who would brainwash her back into the angels good graces she flees to the edge of civilized space But not to hide Rachel s only hope is a fabled lost book of the Codex written by a rogue angel the Sefer Raziel Tracking the book to a desolate former prison world she delves into the criminal underworld to ferret out its location But her search draws the ire of greedy megacorporations shadowy puppet governments and the zealots who chased her there in the first place As conflicting forces close in Rachel must rely on dangerous allies and question the limits of her moral code to be the first to claim the Sefer Even if it kills her Because the

only fate worse than death is knowing that her failure doomed humanity to eternal servitude Sins of Angels is an epic space opera series set 3000 years after the fall of Earth With the scope of Dune and the adventurous spirit of Indiana Jones Sins of Angels delivers a conflict that spans galaxies and rests on the spirit of a single brave researcher Follow the complete saga and watch as the fate of our species hangs in the balance **Shadows of Angels** Matt Larkin,J.S. Morin,2017-11-02 The book was never the end It was only the beginning With the Sefer Raziel in hand Rachel races to escape with it before anyone discovers her Hidden within the pages of the book are secrets that could destroy armies and reshape worlds certainly enough to bring Rachel s pursuers to their knees Except she can t read it As Redeemers close in and escape from the planet s surface restricted Rachel has no choice but to trust someone who betrayed her and hope she isn t making an even worse mistake

Constitutional History Dudley Julius Medley,1902 *Countering Terrorism and Insurgency in the 21st Century* James J. F. Forest,2007-06-30 The attacks of September 11 2001 inaugurated a new global era of counterterrorism policy and activity led by the United States Countering Terrorism and Insurgency in the 21st Century analyzes the most significant dimensions of combating terrorism including considerations of strategic and tactical issues hard power soft power and

counterintelligence the need to thwart sources and facilitators weak governments ill conceived foreign policy and trafficking in drugs guns and humans and the incorporation of lessons learned thus far from combating terrorism around the globe Since the dawn of the new millennium combating terrorism has become a primary focus of security professionals throughout the world The attacks of September 11 2001 inaugurated a new global era of counterterrorism policy and activity led by the United States while many countries from Algeria and Spain to Sri Lanka and Indonesia have redoubled their efforts to combat their own indigenous terrorism threats In the United States the counterterrorism goals identified in the National Strategy for Combating Terrorism 2006 can only be achieved through significant multinational cooperation These goals are to advance effective democracies as the long term antidote to the ideologies of terrorism to prevent attacks by terrorist networks to deny terrorists the support and sanctuary of rogue states to deny terrorists control of any nation they would use as a base and launching pad for terror and to lay the foundations and build the institutions and structures we need to carry the fight forward against terror and help ensure our ultimate success At this point in the development of the global counterterrorism efforts it is particularly important to pause for reflection on a number of critical questions What do we know about effectively countering terrorism What are the characteristics of successful or unsuccessful counterterrorism campaigns What do we need to learn in order to do this better Countering Terrorism and Insurgency in the 21st Century addresses these and related questions contributing to national security policy as well as to our understanding of the terrorist threat and how it can be defeated Volume 1 Strategic and Tactical Considerations examines issues of hard power soft power and intelligence counterintelligence Volume 2 Sources and Facilitators covers state failure border controls democracy promotion networks and trade and trafficking and societal issues Volume 3 Lessons Learned from Combating Terrorism and Insurgency includes case studies of counterterrorism operations e g the hijacking of the Achille Lauro the 1993 bombing of the World Trade Center and the capture of key terrorist suspects like Ramzi Youssef and Khalid Sheikh Mohamad and case studies of long term efforts to combat terrorism e g the Basques in Spain the Tamil Tigers in Sri Lanka Israel s struggle against Palestinian terror organizations Peru and Sendero Luminoso and Japan and Aum Shinrikyo *Final Report* United Nations.
