Abortion in Popular Culture Brenda Boudreau, Kelli Maloy, 2023-04-04 *Abortion in Popular Culture: A Call to Action* brings together scholars who examine depictions of abortion in film, television, literature, and social media. By examining texts ranging from classic television series such as *Maude* and *Roseanne* and recent films such as *Never Rarely Sometimes Always* and *Unpregnant* to dystopian novels and social media campaigns, the essays analyze narrative styles, rhetorical strategies, and cinematic techniques, all of which shape cultural attitudes toward abortion. They also analyze cultural shifts, including the willingness or reluctance of networks, cable channels, and filmmakers to acknowledge changing trends in reproductive health, such as medication abortion and the role that abortion plays in family planning. As a whole, however, the essays argue that popular culture can play a significant role in destigmatizing abortion by including a wider range of narratives and doing so with nuance and empathy. With reproductive rights under attack in the United States, each essay is a call to action for writers, producers, directors, showrunners, authors, and musicians to use their platforms to tell more positive and accurate stories about abortion.

The Churchman, 1921 **Imdeduya** Gunter Senft, 2017-07-12 This volume presents five variants of the Imdeduya myth: two versions of the actual myth, a short story, a song, and John Kasaipwalova's English poem *Sail the Midnight Sun*. This poem draws heavily on the Trobriand myth, which introduces the protagonists Imdeduya and Yolina and reports on Yolina's intention to marry the girl so famous for her beauty. On his long journey to Imdeduya's village and on their tragic love story, the texts are compared with each other, with a final focus on the clash between orality and scriptuality. Contrary to

Kasaipwalova's fixed poetic text the oral Immeduya versions reveal the variability characteristic for oral tradition. This variability opens up questions about traditional stability and destabilization of oral literature especially questions about the changing role of myth and magic in the Trobriand Islanders society which gets more and more integrated into the by now literal nation of Papua New Guinea.
