Virginia Plantation National Capitol Representative:

From the Virginia Plantation to the National Capitol; Or, The First and Only Negro Representative in Congress from the Old Dominion John Mercer Langston, 1894 *From the Virginia Plantation to the National Capitol* John Mercer Langston, 1894 Frontiers of Freedom Nikki Marie Taylor, 2005

Nineteenth century Cincinnati was northern in its geography southern in its economy and politics and western in its commercial aspirations While those identities presented a crossroad of opportunity for native whites and immigrants African Americans endured economic repression and a denial of civil rights compounded by extreme and frequent mob violence No other northern city rivaled Cincinnati's vicious mob spirit *Frontiers of Freedom* follows the black community as it moved from alienation and vulnerability in the 1820s toward collective consciousness and eventually political self respect and self determination As author Nikki M Taylor points out this was a community that at times supported all black communities armed self defense and separate but independent black schools Black Cincinnati's strategies to gain equality and citizenship were as dynamic as they were effective When the black community united in armed defense of its homes and property during an 1841 mob attack it demonstrated that it was no longer willing to be exiled from the city as it had been in 1829 *Frontiers of Freedom* chronicles alternating moments of triumph and tribulation of pride and pain but more than anything it chronicles the resilience of the black community in a particularly difficult urban context at a defining moment in American history *Black Americans in Congress, 1870-2007*, 2008 From the publisher Provides a comprehensive history of the more than 120 African Americans who have served in the United States Congress Written for a general audience this book contains a profile of each African American Member including notables such as Hiram Revels Joseph Rainey Oscar De Priest Adam Clayton Powell Shirley Chisholm Gus Hawkins and Barbara Jordan Individual profiles are introduced by contextual essays that explain major events in congressional and U S history Illustrated with many portraits photographs and charts Public Documents of Massachusetts Massachusetts, 1896 **Emancipation** John Clay Smith (Jr.), 1999

Emancipation is the first truly comprehensive reference book covering the first one hundred years of African Americans in the legal profession Other legal historians and biographers must take Smith's work as a starting point for gauging the impact Black lawyers and institutions have had upon the evolution of the American legal profession Black Issues in Higher Education The sheer quantity of information contained in *Emancipation* is overwhelming the impact of page after page of data stories and lives and the thousands of detailed extensive footnotes and documentation is simply overpowering It is a monumental achievement *Southern University Law Review* A remarkable piece of scholarship *Emancipation* contains a wealth of information previously unknown even to those who consider themselves well informed about African American history It will I am sure serve as the definitive authority on the history of black lawyers for years to come *St Louis Post Dispatch* *Emancipation* is an important and impressive work one cannot read it without being inspired by the legal acumen creativity

and resiliency these pioneer lawyers displayed It should be read by everyone interested in understanding the road African Americans have traveled and the challenges that lie ahead From the Foreword by Justice Thurgood Marshall J Clay Smith Jr is Professor of Law and formerly Dean at the Howard University School of Law He has served as President of the Washington Bar Association and as National President of the Federal Bar Association He was appointed U S Commissioner of the Equal Employment Opportunity Commission by President Jimmy Carter and later served as Acting Chairman under President Ronald Reagan He is the author of *Rebels in Law* *Voices in History of Black Women Lawyers* [Race Problems of the South](#) Southern Society for the Promotion of the Study of Race Conditions and Problems in the South,1900 **Race Problems of the South** Southern Society for the Promotion of the Study of Race Conditions and Problems in the South. Conference,1900

States at War, Volume 5 Richard F. Miller,2015-07-07 While many Civil War reference books exist there is no single compendium that contains important details about the combatant states and territories that Civil War researchers can readily access for their work People looking for information about the organizations activities economies demographics and prominent personalities of Civil War States and state governments must assemble data from a variety of sources with many key sources remaining unavailable online This crucial reference book the fifth in the *States at War* series provides vital information on the organization activities economies demographics and prominent personalities of Ohio during the Civil War Its principal sources include the Official Records state adjutant general reports legislative journals state and federal legislation federal and state executive speeches and proclamations and the general and special orders issued by the military authorities of both governments North and South Designed and organized for easy use by professional historians and amateurs this book can be read in two ways by individual state with each chapter offering a stand alone history of an individual state s war years or across states comparing reactions to the same event or solutions to the same problems
