

The background of the entire image is an abstract pattern of numerous concentric circles in various colors, including shades of blue, green, red, orange, and purple. These circles are arranged in a way that creates a sense of depth and movement, with some circles appearing more prominent than others. The overall effect is a vibrant, textured backdrop that frames the central text.

Virtual Apocalypse Robin Morrison:

Virtual Apocalypse Robin Morrison, 2013-10-04 In a risk management over regulated world it becomes clear that the apocalypse is unexpected and unveils itself in different ways to different people The date is set in the not too distant future with technology we can already imagine The solution is inspired by a new way of looking at time and place and comes from an unexpected spiritual experience for Alan When he shares this with his partner Terri a city girl with a big job and her parents who live on a farm they too become involved When he shares this with the academics working with the Pentagon they begin to rethink what might have gone wrong and why

The Playground Robin Morrison, 2013-12-06 A woman now in her eighties remembers being taken as a child to a playground in Kew London by her grandfather Now in a residential home she expresses a desire to go there Is it to the playground or some other part of her life in Geneva where she meets a Russian interpreter implicated in various events that happen in the Sudan We follow those dramatic events as her position chairing a commission at the UN is implicated and compromised at least according to the Chinese delegate This is a moving story of a relationship that survives different kinds of international pressures and is in itself part of the story of four generations in the same family Robin Morrison is a writer of plays poetry and short stories His Virtual Apocalypse is a gentle sci fi story to counter the blockbusters of alien invasions and meteor strikes His The Photograph is based on a sensational true story of assassinations East West relations and the Vatican in the cold war years These can be found under his name on Amazon or via www.robinmorrison.com

Shadows of Memory Robin Morrison, 2014-01-11 Now retired and confused Harry struggles to remember his friend's name He does remember other things his life as a spy in Vienna and Prague working with his friend and a Czech girl Jana from the Russian Embassy He and his friend make a crucial mistake Later at a conference in Prague dealing with North Korean and Chinese relations he meets her again but she is a different person Then he is invited to a private dinner by the chairman of the conference in honour of the Russian Ambassador The conversation moves through various philosophical and scientific subjects He meets Dianna The experience changes him forever He is no longer the man who worked in the shadows Will he let her change his life even more Now looking back he stands at his front door wondering if he will be able to open it and talk to the woman next door

The Year of the Geek James Clarke, 2017-10-19 The Year of the Geek is a fascinating look into geek culture Each day will tell a different story from the sci fi universe from famous franchises and figures such as Star Wars The Matrix Peter Jackson and Luc Besson to lesser known stories including the French cult classic City of Lost Children the Japanese anime Akira and bestselling German novelist Marcus Heitz With text written by self confessed geek James Clarke and accompanied by over 100 infographics that have been specially commissioned for this book The Year of the Geek celebrates all things geek in a new and intriguing way
