Virtuous Deception Ntyse Enterprises Presents:

Accounting Fraud Gary Giroux, 2013-12-09 Scandals relating to manipulation and fraud have dominated much of the history of business and the accounting profession in America since the founding Crooks corruption scandals and panics have been regular features of the business landscape ever since with regulations and the expansion of financial disclosure auditing and regulatory agencies following major debacles The importance of this topic is demonstrated by the major accounting and finance scandals of the 21st century some of the most destructive in our history including Enron and the multi trillion dollar real estate crises This pair of scandals has an extensive number of companions if less severe and not as well known The types of violations causes and results are equally valid and continue to be of concern today This short book reveals the signs that suggest financial corruption in organizations and proposes remedies to contain it and prevent its recurrence It can be used as a supplementary source in introductory financial accounting courses elementary and intermediate accounting and finance related MBA courses and business history or it can be used as part of forensic accounting and fraud detection for continuing education In addition it can be useful for accounting and finance professionals wanting exposure to financial disclosure issues and other accounting risks along with executives looking to expand their knowledge of accounting fraud and risk areas
