audience **Summary of Claire McGowan's The Vanishing Triangle** Everest Media,2022-04-16T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I grew up in Northern Ireland in the nineties which was a time of turmoil and change We were afraid of being shot by the soldiers who crouched in the hedgerows as we walked home and we were afraid of being bombed by the IRA 2 The nineties in Ireland were a time of change and struggle People were trying to prise off the fingers of Church control and they were struggling with their self identification as one of the few true Catholic countries left 3 There were a few brutal murders in Ireland during my childhood that could be linked to the later disappearances In 1979 Phyllis Murphy who was twenty three went missing from Newbridge about thirty miles from Dublin She was last seen walking to the bus stop wearing jeans and a winter coat mittens Her body was found two months later in a forest in Wicklow 4 There were several unsolved cases in Ireland in the 1980s and 1990s including the murders of Antoinette Smith and Jastine Valdez The cases were all similar with the bodies of the victims wrapped in plastic bags and dumped in bog land Robert Bruce and the Community of the Realm of Scotland G W S Barrow,2013-10-31 An Edinburgh Classic edition to commemorate the 700th anniversary of the Battle of Bannockburn in 1314 **Old World Colony** David Dickson,2005 This is a groundbreaking study of Cork s rise from insignificance to international importance as a city and port and of South Munster s development from agricultural hinterland to one of early modern Ireland s wealthiest regions and a symbol of a new commercial order Reconstructing the framework of a pre modern regional society in a way never before attempted for Ireland Old World Colony integrates social economic and political history across the heartlands of the Hidden Ireland from the seventeenth century s civil wars to Catholic emancipation in the 1820s Dickson shows that colonization and commerce transformed the region but at a price even in South Munster s formative years the problems of pre Famine Ireland gross income inequality and land scarcity were already evident Co published with Cork University Press Ireland Wisconsin edition for sale only in the U S its territories and possessions and Canada A masterful account So finely nuanced and meticulously researched that it effectively raises the historiographical bar for Irish regional history James G Patterson H Atlantic H Net Reviews **Social change and everyday life in Ireland, 1850-1922** Caitriona Clear,2013-07-19 Men and women who were born grew up and died in Ireland between 1850 and 1922 made decisions to train to emigrate to stay at home to marry to stay single to stay at school based on the knowledge and resources they had at the time This the first comprehensive social history of Ireland for the years 1850 1922 to appear since 1981 tries to understand that knowledge and to discuss those resources for men and women at all social levels on the island as a whole Original research particularly on extreme poverty and public health is supplemented by neglected published sources local history journals popular autobiography newspapers Folklore and Irish language sources are used extensively All recent scholarly books in Irish social history are of course referred to throughout the book but it is a lively read reproducing the voices of the people and the stories of individuals whenever it can questioning much of the accepted wisdom of Irish historiography over the past five

decades Statistics are used from time to time for illustrative purposes but tables and graphs are consigned to the appendix at the back There are some illustrations An idea summary for the student loaded with prompts for future research this book is written in a non cliched jargon free style aimed at the general reader **Vanishing Ireland** James Fennell,Turtle Bunbury,2013-09-10 In Vanishing Ireland Recollections of our Changing Times award winning photographer James Fennell and bestselling author Turtle Bunbury once again journey the length and breadth of Ireland to bring us an extraordinary powerful new collection of poignant interviews from ordinary men and women who share with us their memories providing us with an invaluable link to the past Through words and stunningly evocative photographs we meet the people of Ireland who lived through adversity and hardship during the formative decades of independent Ireland yet whose courage kindness and humour remains intact We talk with those who watched friends and family sail for foreign shores and lose ourselves in a world where life was simpler yet somehow happier where storytelling fiddle playing c il s and communal pastimes cemented the deep friendships that became the lifeblood of each community As stories are shared beside the warmth of a fire in farmhouses in Kerry and Clare in the turf sheds of Limerick and Tipperary over cups of tea and glasses of whiskey in the kitchens of Wexford Sligo and Dublin in the cobbled yards of Wicklow and Tipperary in the shadow of the hills of Leitrim and Donegal on the pavements of Dublin City and against the sound of crashing waves on the coast of Galway we meet the people who have lived through times of change as the past comes alive through their words Blacksmiths saddlers harness makers and coal miners mattress makers factory workers bonesetters and cattle drivers all are gathered here as we are afforded a glimpse of the inimitable spirit of the people of this country The world continues to change but gathered within these pages are stories and to be cherished to keep the past alive long into the future
