Vatican Secret Archives:

The Secret Archives of the Vatican Maria Luisa Ambrosini, Mary Willis, 1996 **The Vatican Secret Archives** Luca Becchetti, 2009 The Vatican Secret Archives have fuelled people's imagination for centuries This is largely due to its incomparable long and interesting history Today the entire documentation kept in the Vatican Secret Archives occupies 85 kilometres of bookshelves and is constantly growing It covers a continued chronological space of over 800 years Moreover its unique location the majestic documentary treasures and the limited access contribute to this aura of mystery The shroud of secrecy that has always surrounded this important cultural institution of the Holy See due to the allusions to inaccessible secrets as well as to the publicity it has always enjoyed in literature and in the media makes this publication even more attractive And now for the first time a publisher was allowed to walk around this wonderful location without any restrictions The result is a magnificent book with impressive and atmospheric illustrations Take an unforgettable walk past the most exceptional places and documents in these secret archives including reading rooms that are only open to academia as well as rooms that remain closed to the public some of which are decorated with gorgeous 16th and 17th century frescos while others accommodate several thousands of documents You will be able to discover more than 100 of these documents in this book Specialists of the Vatican Secret Archives have selected these documents and provided each one with a precise explanation It is a careful selection of documents that show the richness of the Vatican Archives contents A highly appealing unique and attractive book for a large audience as well as for the academic *The Vatican Secret Archives (Limited Edition)*. , **The Vatican Secret Archives** Terzo Natalini, 2000 *Vatican Secret Archives* Grzegorz Górny, Janusz Rosikon, 2020 Investigative stories behind the most controversial events in the Church's history for example the Knights Templar trial the Crusades the Inquisition the Galileo Galilei trial and Pius XII's attitude towards the Holocaust *A Report from the Vatican Secret Archives* Anne Hillam, New York Academy of Medicine, 2004 **Lux in Arcana**, 2012 [The Vatican Archivist](#) Connor Phillips, 2020-07-26 The mystery surrounding the Vatican Secret Archives spans centuries So when America's leading exorcism historian receives an opportunity to steal a laptop with access to The Vatican Secret Archives during a research trip to Vatican City he takes it But as he learns about the Catholic Church's startling connection with the occult while fleeing Italy he begins to question everything he thought he knew about exorcism Now a fugitive he must come to terms with an alarming truth Hell is coming for us all From the first page I'm placing my life at serious risk by writing this The title alone if given enough attention will set forces in motion that would shatter the courage of even the bravest men I'm a leaker you see and what I have to reveal has been ferociously guarded for centuries And for a good reason The Catholic Church has an intricate and often sinister past What you read in textbooks or watch on the news is only a minuscule fraction of the Vatican's vile history Even historians a profession which I'm fortunate enough to call my own hardly understand the scope and power of the Papacy's influence I know that I didn't That is until I stole a laptop from a high ranking Catholic

priest that has access to the Vatican Secret Archives and learned truths so staggering that they have made me question everything I thought I knew about the Church's history. The public deserves access to the information in these archives; it is criminal that the Church has gotten away with concealing these valuable documents for so long. Don't believe the Vatican's recent transparency regarding this ancient knowledge. The Pope's digitalization and disclosure efforts are nothing more than a sham, a thinly veiled masquerade designed to keep the public happy. The real insights that the archives have to offer will never see the light of day. They will forever languish on dusty bookshelves and encrypted hard drives deep within the walls of Vatican City. Which is why I decided to act. I can't sit around while people are lied to while history's most important documents are left to rot in the hands of peevish priests. As any self-respecting scholar would agree, information is power, and public information is the foundation of democracy. I should warn you though: The information that I have to share will shake you to your core. Never before had I felt so frightened in all of my life than the first time I dived into the archive's darkest secrets. How I came by this information is a horror story all to its own, and one which I feel is necessary to share with you now, for maybe then you will understand why I have volunteered to venture on such a perilous crusade. *Lux in Arcana*

Alessandra Gonzato, 2012. As Archivist and Librarian of the Holy Roman Church, I have the rare pleasure of presenting the catalogue of an exhibition that concerns not only an institution as prestigious as the Vatican Secret Archives but also an equally prestigious Roman municipal institution, the Capitoline Museums, which are hosting the event. For the first time ever, very ancient papal documents and significant papers concerning the life of the Church in the world are issuing from the Vatican Walls and opening up to visitors' eyes on Rome's Capitol Hill, the traditional seat of the city's government. Publisher: **Pope and Devil**

Hubert Wolf, 2010. Wolf presents astonishing findings from the recently opened Vatican archives, discoveries that clarify the relations between National Socialism and the Vatican. He vividly illuminates the inner workings of the Vatican.
