inner peace no matter what struggles their children are having When we trust God's voice of oneness in the world as it works through us and through our children we learn to accept what is We can either buy into the traditional stories about these labels or choose peace instead Parents of children with labels or any child who is struggling or just being every day difficult can either embrace this opportunity for spiritual growth or stay stuck in the anger pain and the sadness It is a choice

encourages each of us to tell our stories of loneliness from the perspective of the end God has in mind for us This means accepting and embracing loneliness as a means through which God raises us up and strengthens us to persevere in joy and faith Learning to do this is a privilege that gives us the opportunity to experience loneliness as a source of personal empowerment
