Whats Wrong With The World:

What's Wrong with the World? John Downey Works,1922 **What's Wrong with the World** Gilbert Keith Chesterton,1913 **What's Wrong with the World** G. K. Chesterton,2011-07-26 These essays first appeared in June of 1910 and though some of the subjects may seem a bit stodgy the writing is still fresh and riveting and the insights are clear and powerful In fact some of the moral issues are perhaps more vital today than they were in Chesterton s time He seemed to foresee that the diminution of our moral standards would lead to the dehumanization of mankind he foresaw woman s suffrage and the dangers of the burgeoning corporate oligarchy All of these essays are memorable touched with Chesterton s often dazzling verbal legerdemain In *The Insane Necessity* he writes discipline means that in certain frightfully rapid circumstances one can trust anybody so long as he is not everybody There are so many memorable more like *Oppression by Optimism* *The Unfinished Temple* and *Sincerity and the Gallows* that are each in their turn breathtaking in both their focus and scope If you ve never read G K Chesterton this is a fine place to start and if you ve read some of his other works and enjoyed them you ll love this one **What's Wrong With the World** G. K. Chesterton,2022-06-29 What s Wrong with the World by G K Chesterton is written with a strong point of view and perspective for his time Chesterton tells of the struggles and challenges of his time but also considers how to improve them In this title G K Chesterton writes on education big business feminism and many other topics This important book of essays is just as readable today as when it was first written and offers a remarkable perceptive analysis on social and moral issues With hints of a humorous tone he handles serious philosophy and his views on society Chesterton was genius in foreseeing the dangers of taking on modernist proposals and he knew that with lax moral standards there would follow a slue of other issues and eventually lead to the dehumanization of man **What's Wrong with the World** G.
