Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament **Another Gospel? Student Edition** Alisa Childers, 2025-10-21 A movement seeks to redefine Christianity Some think that it is a much needed progressive reformation Others believe that it is an attack on historic Christianity Alisa Childers never thought she would question her Christian faith She was raised in a Christian home where she had seen her mom and dad feed the hungry clothe the homeless and love the outcast She had witnessed God at work and then had dedicated her own life to leading worship as part of the popular Christian band ZOEgirl All that was deeply challenged when she met a progressive pastor who called himself a hopeful agnostic Another Gospel Student Edition describes the journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith She invites young people along on her journey with compelling stories informative charts and provocative discussion questions After everything she had ever believed about God Jesus and the Bible had been picked apart she found herself at the brink of despair until God rescued her helping her to rebuild her faith one solid brick at a time In this book you'll find a list of resources including apologetics books theology books and podcasts for additional study discussion questions to help you dig deeper or spark conversations a sound biblical worldview mixed with personal stories from Alisa Childers popular speaker and author of The Deconstruction of Christianity and Live Your Truth and Other Lies In a culture of endless questions students need solid answers If you or someone you love has encountered the ideas of progressive Christianity and aren't sure how to respond Alisa's journey will show you how to determine and rest in what's unmistakably true This student edition of Another Gospel is designed to help young adults dive into this topic investigate the questions and the evidence and find clarity **Prepared to Answer , Evolution or Creation?** Albert DeBenedictis, 2014-04-02 This book is designed to share the research on the origins of the universe and the origins of life with those who are truly interested in making their decisions regarding origins as well as those who are simply curious about opposing views On the Resurrection, Volume 2 Gary Habermas, 2024-09-15 In On the Resurrection Volume 2 Refutations Gary Habermas offers detailed analyses and

rebuttals of the alternate theories surrounding Jesus's resurrection This is the second volume of four in his magnum opus *On the Resurrection* *The Jesus Legend* Paul Rhodes Eddy, Gregory A. Boyd, 2007-08-01 Christianity Today 2008 Book Award Biblical Studies Even mature Christians have trouble defending the person and divinity of Christ *The Jesus Legend* builds a convincing interdisciplinary case for the unique and plausible position of Jesus in human history He was real and his presence on the planet has been well documented The authors of the New Testament didn't plant evidence though each writer did tell the truth from a unique perspective This book carefully investigates the Gospel portraits of Jesus particularly the Synoptic Gospels assessing what is reliable history and fictional legend The authors contend that a cumulative case for the general reliability of the Synoptic Gospels can be made and boldly challenge those who question the veracity of the Jesus found there *PAUL'S LETTER TO THE PHILIPPIANS* Edward D. Geisler, Jason Jimenez, 2015-01-13 Every believer has questions about God the Bible Jesus and the purpose and meaning of life The vexing problem is that so few believers are able to answer even the most basic ones Without answers doubt creeps in and the future of the church is in jeopardy With insight and precision Geisler and Jimenez address one hundred penetrating questions that the culture asks and Christians must be prepared to answer including both controversial questions raging in the public sphere and personal questions about family issues the purpose and meaning of life and the future of the world Christians from every walk of life especially young believers youth workers and parents will treasure this comprehensive resource Foreword by Josh and Sean McDowell
