Arden Plays: 1 John Arden, 2014-07-17 The modern English theatre has had its poets and it has had its dramatists but in John Arden it has acquired its first dramatic poet since well let's be rash the days of Shakespeare Sunday Times *The Waters of Babylon* This wild acidly funny and oddly tragic story of London low life reveals Arden's tough linguistic freedom and the free wheeling ease with which he switches from prose to verse and back again Sunday Times *Live Like Pigs* Thrilling theatre a rumbustious delight outrageously funny powerfully dramatic and when you least expect it genuinely moving a modern classic Daily Telegraph *The Happy Haven* written with Margaretta D Arcy This rare and excellent revival perfectly reflects the play's bizarre atmosphere its potent mixture of farcical prose rhymed poetry its marked avoidance of

It Is the Same Light Daljit Singh Jawa,2014-11-14 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the worlds fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow

human beings irrespective of their faith color caste creed or race The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world

Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind
