The Politics of Ministry Bob Burns, Tasha D. Chapman, Donald C. Guthrie, 2019-01-08 At its most basic level politics is simply the everyday activity of getting things done with other people Filled with real life stories this book from Bob Burns Tasha Chapman and Donald Guthrie combines their long ministry experience with sociological research setting out wise principles and practices that help us see more clearly the political dynamics at play in our churches and parachurch ministries *Dangerous Calling (with Study Questions)* Paul David Tripp, 2025-04-29 Pastor and Bestselling Author Paul David Tripp Helps Church Leaders Diagnose and Cure Unhealthy Pastoral Culture After traveling the world for many years and speaking at hundreds of churches of all kinds Paul David Tripp is concerned about the state of pastoral culture He is not only concerned about the spiritual life of the pastor but with the very people who train him call him relate to him and restore

him when necessary Dangerous Calling reveals the truth that the culture surrounding our pastors is spiritually unhealthy an environment that actively undermines the well being and efficacy of our church leaders and thus the entire church body Here is a book that both diagnoses and offers cures for issues that impact every member and church leader and gives solid strategies for fighting the war that rages not only in the momentous moments of ministry but also in the mundane day by day life of every pastor This edition includes study questions that prompt engaging discussion and reflection on each chapter Essential Insights for Church Leadership Looks at the struggle of the pastor but actively exhorts the culture that trains and supports him A Great Resource for Small Groups Now with study questions this guide appeals to anyone who is serious about being part of a healthy church Practical Highlights a series of temptations that are unique to or intensified by pastoral ministry and gives biblical advice for dealing with each

Relational Children's Ministry Dan Lovaglia, 2016-04-05

Children s ministry has the power to change the lives of kids and families Unfortunately it s not always clear that the work a person does with kids is really making a lasting difference Ask children s ministry leaders and kid influencers if they are making the impact on children s lives as they had hoped and most likely the responses will be mixed And for good reason Research over the past decade has revealed an alarming lack of long term growth in the faith community as children progress through student ministries into adulthood Clearly something needs to change Relational Children s Ministry seeks to reverse this trend by equipping children s ministry leaders with practical tools to disrupt the status quo approach to discipleship with children and realign their ministries for greater long term impact Ministry leaders will Learn how to relate intentionally to kids and families by putting five discipleship invitations modeled by Jesus into practice Explore practical approaches to realign their children s ministry for a new trajectory by hitting three reset buttons to ensure long term discipleship is embedded Encounter examples of disruptive disciple makers in action and learn key principles that can be translated into their own ministry context Children s ministry leaders will receive practical training to refocus their children s ministry along with time tested tools to personally recommit to lifelong discipleship Kid influencers can become a disciple making community that redirects the current trajectory for this and future generations

Surveyor and Municipal and County Engineer , 1925 **Grit to Stay Grace to Go** Sue Eenigenburg, Eva Burkholder, 2023-05-30 Don t Leave Too Soon

Don t Stay Too Long Staying isn t always good and leaving isn t always bad Both require grit and grace Cross cultural ministry presents us with many difficulties like transitions loneliness messy relationships and the desire to escape The lies we believe tempt us to leave our work too soon But nothing tests our resolve to stay like seeing others go Grit to Stay Grace to Go normalizes the challenges of ministry through honest and humorous stories from the authors own lives as well as testimonies from many other workers The point is to help cross cultural workers not just to stay but to stay well by countering lies with truth This workbook provides thoughtful reflection questions practical action steps and suggested prayers It encourages stayers to process their grief guilt and relief when saying goodbye to goers In this way they can move

forward with forgiveness and humility and truly bless the departing ones Those considering leaving will find poignant questions and spiritual practices to help them make an intentional not reactive decision Are you considering leaving the field Or do you know someone who is Work through this book by yourself or with others You will gain wisdom to help workers develop grit and grace to stay or go
