When Prophets Speak Of Judgment Habakkuk Zephaniah Haggai:

When the Prophets Speak of Judgement David M. Levy, 1998 While God never reveals the exact moment when He will pour out His wrath He does reveal for us in the Bible the conditions that are sure to bring His judgment upon a nation and its people Every one of these conditions or sins was rampant at the time Judah experienced horrible judgment at the hands of its enemies What s incredible is that the very conditions that led to Judah s downfall are all present in America today You can explore what these conditions are in David Levy s book *When Prophets Speak of Judgment* In this fascinating overview of the Bible books of Habakkuk Zephaniah and Haggai you ll discover that the atrocities committed by ancient Judah are strikingly similar to what we read in the headlines of today s newspapers *When Prophets Speak of Judgment* is an encouraging challenge for us to redeem the time as we move ever closer to the last days

Minor Prophets in a Major Key Chris Woodall,2018-01-24 All Scripture is God breathed but not every portion of it is embraced by Christians with equal vigor Tribal lists specific sacrificial obligations seemingly endless genealogical records and apparently gratuitous acts of warfare are readily scanned over But could the minor prophets be added to that list Should they be They certainly seem more difficult to locate for many of us than say the books of Moses or the Psalms The writer is clear in his assessment from the start positing that our relative ignorance of these twelve books tucked away at the end of the Old Testament impinges negatively on the Christian believer s walk Covering a period of around four hundred years each book is revealed through two contextual settings the historical and that which was personal to the individual pensmith before

a brief overview reveals the main points of that author's writing The bulk of each chapter is concerned with the Major Key of the title Taking a verse or two from each of the minor prophets Chris Woodall develops a theme to bring practical application with a potentially positive impact to life as a Christian in the twenty first century from lessons over two and a half thousand years old Chris Woodall is former Associate Professor of Dogmatics at North West University South Africa This is his fourth book for Wipf and Stock The first three Covenant the Basis of God's Self Disclosure 2011 Kingdom the Expression of God's Rule 2012 and Atonement God's Means of Effecting Man's Reconciliation 2015 are also available from this publisher and other outlets
