When the World Shook H. Rider Haggard, 2015-07-09 Excerpt from *When the World Shook* Being an Account of the Great Adventure of Bastin Bickley and Arbuthnot I suppose that I Humphrey Arbuthnot should begin this history in which Destiny has caused me to play so prominent a part with some short account of myself and of my circumstances I was born forty years ago in this very Devonshire village in which I write but not in the same house Now I live in the Priory an ancient place and a fine one in its way with its panelled rooms its beautiful gardens where in this mild climate in addition to our own flourish so many plants which one would only expect to find in countries that lie nearer to the sun and its green undulating park studded with great timber trees The view too is perfect behind and around the rich Devonshire landscape with its hills and valleys and its scarped faces of red sandstone and at a distance in front the sea There are little towns quite near too that live for the most part on visitors but these are so hidden away by the contours of the ground that from the Priory one cannot see them Such is Fulcombe where I live though for obvious reasons I do not give it its real name Many years ago my father the Rev Humphrey Arbuthnot whose only child I am after whom also I am named Humphrey was the vicar of this place with which our family is said to have some rather vague hereditary connection About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works When The World Shook Henry Rider Haggard, 2019-07-26 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature In an attempt to preserve improve and recreate the original content we have worked towards 1 Type setting Reformatting The complete work has been re designed via professional layout formatting and type setting tools to re create the same edition with rich typography graphics high quality images and table elements giving our
