When I Was a Loser John McNally, 2007-03-06 For Anyone Who's Ever Been a Teenager Who's teenage years weren't terrible Remember the scary older kids The sadistic gym teacher The smelly kid who sat next to you in science class Your first fumbling kiss That time you threw up in the cafeteria Your first attempt at putting on a condom The period that arrived unexpectedly That awful fight with your parents The first time you got drunk That note you wrote that you shouldn't have written The day you forgot to zip your fly That monster zit When you wondered would it all end In When I Was a Loser John McNally author of the novel America's Report Card assembles twenty-five original essays often hilarious sometimes tenderhearted always evocative about defining moments of high school loserdom Brad Land Julianna Baggott Owen King Johanna Edwards and many more fresh talented writers explore their own angst humiliation heartache and other staples of teen life These essays perfectly capture what it was like to be in high school to experience so many things for the first time to assert independence while desperately trying to fit in to feel misunderstood and unable to articulate the wild swings between heartbreak anger and euphoria One writer recalls how his grandmother helped him with his home perm in preparation for the Senior Class picture another recounts her discovery sometime after hitting puberty of the power she held over boys and men while at the same time she felt herself at their mercy a third remembers the casual cruelties visited on him by the cooler kids and the cruelties he in turn inflicted on kids below him on the social ladder Utterly candid and compulsively readable these essays conjure up and untangle those raw and formative years The writers cringe and laugh at the teenagers they were but at the same time they honor their adolescence and the way it shaped their lives Because in truth beneath the layers of adult respectability we all still carry a little bit of our teenage selves around with us New Stories from the South Allan Gurganus, Kathy Pories, 2006-01-01 A collection of outstanding short stories by masterful voices in

Southern literature features a broad spectrum of twenty works by both established authors and new writers including Wendell Berry George Singleton Tony Earley Erin Brooks Worley and J D Chapman among others all selected and introduced by guest editor Allan Gurganus Original *The Publishers Weekly* ,1888 **Love's Witty Blindfold: The Joyful and Romantic Tale of The Blind Mother** N.B. Singh, Love s Witty Blindfold The Joyful and Romantic Tale of The Blind Mother is a delightful and heartwarming novel that seamlessly blends comedy and romance into a captivating and unforgettable story Set in the charming town of Willowbrook the novel follows the extraordinary journey of Evelyn affectionately known as the Blind Mother as she navigates life with a unique sense of humor despite her blindness The novel opens with a prologue titled In Darkness Love Blooms setting the stage for the unexpected and enchanting love story that lies ahead From there readers are transported into Chapter 1 A Quirk of Fate where the whimsical nature of the tale begins to unfold Throughout the novel the author masterfully weaves together comedy and romance creating a perfect balance of laughter and heartfelt moments Each chapter introduces new characters hilarious situations and unexpected twists keeping readers eagerly turning the pages to discover what amusing escapades and endearing moments await the Blind Mother and her companions The characters in Love s Witty Blindfold are vibrant and lovable each bringing their own brand of humor and quirkiness to the story Evelyn the Blind Mother herself is a beacon of strength and resilience using her unique perspective on life to find laughter in even the most challenging situations Her comedic partner Andrew is the perfect counterpart adding wit and charm to their comedic duo As the Blind Mother s unconventional household is introduced in Chapter 2 readers are treated to a delightful cast of characters from a mischievous pet parrot with a knack for impersonations to a quirky neighbor with an obsession for unusual hobbies These eccentric individuals combined with the Blind Mother s hilarious anecdotes create a vibrant and unforgettable world The blind dates and their ensuing disasters in Chapter 3 provide uproarious moments of comedic brilliance leaving readers in stitches as Evelyn and Andrew stumble through awkward encounters mistaken identities and comical misunderstandings The chapter is a testament to the author s ability to infuse humor into the realm of romance highlighting the absurdity and charm of the Blind Mother s quest for love Throughout the novel readers are treated to a tapestry of laughter and romance as Evelyn and Andrew s relationship blossoms From their comical misadventures to their heartfelt moments of vulnerability their connection is a testament to the power of love and the joy that comes from embracing life s unexpected surprises Love s Witty Blindfold is a novel that will leave readers smiling chuckling and occasionally wiping away a tear of laughter and tenderness It captures the essence of the human spirit reminding us that laughter can be a guiding light even in the darkest of times With its lighthearted humor endearing characters and heartfelt moments this novel is a true treasure for those seeking a comedy filled romance that will warm their hearts and leave them yearning for more **Telling Stories** ,2021-11-15 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature

is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer s Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial short story opens up further possibilities for research
