Songs of Liberation in the Netherlands Frank Mehring, 2025-10-01 When the Allied Forces arrived in the Netherlands after Operation Market Garden the country's long awaited liberation from National Socialist occupation finally came in the summer of 1945 With freedom reclaimed a wave of joy and hope swept through the nation finding its most powerful expression in the stirring liberation songs that resonated across the land These songs an evocative transatlantic soundtrack of freedom captured the spirit of the time through music lyrics and dance celebrating the euphoria of a nation reborn **Songs of Liberation in the Netherlands** The Transatlantic Soundtrack of Freedom invites readers on an extraordinary journey into this transformative period Frank Mehring along with an international team of writers musicians and curators brings to life the vibrant music that accompanied liberation by drawing from the remarkable Hugo Keesing collection at the Freedom Museum in Groesbeek featuring over 300 rare sheet songs Now rediscovered these songs offer a profound connection to the past inviting us to reimagine the emotional power of music in shaping cultural memory [The Dutch Language](#)

Pierre Brachin, 1985 **Informalization** Cas Wouters, 2007-10-29 This book shows that manners far from being superficial adornments of behaviour are thoroughly interwoven with our personalities and the structures of our societies The concept of informalization provides both an invaluable addition to Norbert Elias's theory of civilizing processes and a most useful tool for understanding how changes in manners are related to shifts in the balances of power between social classes sexes and generations Johan Goudsblom University of Amsterdam Cas Wouters stakes out a powerful theory about changes in human relationships in the Western world over the past twelve decades essential reading for anyone interested in the contemporary human condition **Theory and Society** It is written in clear unequivocal language abounds with detail and replaces many normative statements about the alienating state of contemporary capitalist mass consumption oriented bureaucracy A nuanced subtle and theoretically informed analysis of the sometimes quite chaotic civilising process of the last century **Figurations** This original book explains the sweeping changes to twentieth century regimes of manners and self Broad in scope and deep in analytic reach it provides a wealth of empirical evidence to demonstrate how changes in the code of manners and emotions in four countries Germany Netherlands England and the US have undergone increasing informalization From the growing taboo toward the displays of superiority and inferiority and diminishing social and psychological distance between people it reveals an emancipation of emotions and the new representation of emotion at the centre of personality This thought provoking book traces The increasing permissiveness in public and private manners such as introductions the use of personal pronouns social kissing dancing and dating The ascent and integration of a wide variety

of groups including the working classes women youth and immigrants and the sweeping changes this has imposed on relations of social inferiority and superiority Shifts in self regulation that require manners to seem natural at ease and authentic Rising external social constraints towards being reflexive showing presence of mind considerateness role taking and the ability to tolerate and control conflicts Growing interdependence and social integration declining power differences and the diminishing social and psychic distance between people Continuing the analysis of Sex and Manners SAGE 2004 this book is a dazzling work of historical sociology
