Herman Joseph Heuser, 1912 *The Rise of Historical Economics and Social Reform in Germany, 1864-1894* Erik Grimmer-Solem, 2003 An investigation of the thought activity and influence of the economist and social reformer Schmoller in the era of Bismarck This study explores Schmoller's immense and lasting impact on the development of the social sciences and welfare state in Germany

Christianity and Global Law Rafael Domingo, John Witte, Jr., 2020-03-31 This book explores both historical and contemporary Christian sources and dimensions of global law and includes critical perspectives from various religious and philosophical traditions Two dozen leading scholars discuss the constituent principles of this new global legal order historically comparatively and currently The first part uses a historical biographical approach to study a few of the major Christian architects of global law and transnational legal theory from St Paul to Jacques Maritain The second part distills the deep Christian sources and dimensions of the main principles of global law historically and today separating out the distinct Catholic Protestant and Orthodox Christian contributions as appropriate Finally the authors address a number of pressing global issues and challenges where a Christian informed legal perspective can and should have deep purchase and influence The work makes no claim that Christianity is the only historical shaper of global law nor that it should monopolize the theory and practice of global law today But the book does insist that Christianity as one of the world's great religions has deep norms and practices ideas and institutions prophets and

procedures that can be of benefit as the world struggles to find global legal resources to confront humanity's greatest challenges. The volume will be an essential resource for academics and researchers working in the areas of law and religion, transnational law, legal philosophy, and legal history.

Empowerment of the Catholic Laity in the Nigerian Political Situation Peter Chidi Okuma, 2009. In light of this research work, the Vatican II Council remains a landmark, and its document *Apostolicam Actuositatem* what we decided to call a Text of witness of actions for the Catholic Laity, the Decree on the Apostolate of the Laity, *inter alia Lumen gentium* and *Gaudium et spes* that border on the mission of the Catholic Laity in the human society is a great achievement. After the Vatican II Council, the Church saw the need to enhance and harness the witnessing message of the Council for the Catholic Laity mission in the Church and in the world. In the light of the foregoing, this work is part of these efforts. We developed a hermeneutical model via the political theology of Johann Baptist Metz in the light of the Vatican II Council message that becomes a challenge for concrete action of the Nigerian Catholic Laity in the existential socio-political situation of Nigeria.

The Scandal of The Scandals Manfred Lütz, 2020-05-06. Mahatma Gandhi once chided a Christian friend: All you Christians, missionaries, and all must begin to live more like Jesus Christ. And what Christian among us would disagree with him? After the holy wars and witch hunts, after persecutions and political machinations, there is a broad sense today that the Church, however well meaning, is on the wrong side of history. But do we really know our history? In this collaboration with historian Arnold Angenendt, best-selling German author Manfred Lütz dares to show us what contemporary historians actually say about Christianity's track record over the ages. This detailed overview begins with the ancient pagans, passing through Israel, the early Church, martyrs, Constantine's Rome, the reign of Charlemagne, the Crusades, the Inquisition, the Reformation, the Borgia popes, the Galileo affair, the conquistadores, the French Revolution, the slave trade, the Holocaust, the sex abuse crisis, and more. The Scandal of the Scandals separates myth from fact, giving us a candid portrait of Christendom with its scars and all. Prepare to be amazed at how little you really knew about Christianity.

Europe as a Common Walter Baier, Franz Kronreif, Cornelia Hildebrandt, Luisa Sello, 2021-06-14. To cope with the problems of today's world, we need to enter into a dialogue regardless of political, religious, and philosophical beliefs: a transversal dialogue as Pope Francis called for in the private audience he gave to Alexis Tsipras. Walter Baier and Franz Kronreif in September 2014. This conversation resulted in the DIALOP initiative: a transversal dialogue between Socialists and Christians. Since then, a network of universities and NGOs have been exploring paths of what they call a transversal social ethics. In this book, authors from Austria, Belgium, Colombia, France, Germany, Greece, Hungary, Italy, Portugal, and the Vatican air their views on topics like social equality, European Unity, democracy, the commons, and ecology.
