Reintegrating Severance Nora M. Isacoff, Jennifer Dawes, 2024-07-22 Manifesting the zeitgeist of our post pandemic world Apple TV's Severance probes the margins of work life balance the medicalization of normal human emotions and the turbulence of disinformation resistance and reclamation Fundamentally the series grapples with systemization how we organize and construct our histories art and architecture social orders and bodies and minds Written for both fans and scholars Reintegrating Severance collects fifteen critical essays each offering deep insights into an issue spurred by the series Constructing History explores identity in the context of historical revisionism and corporate mythology Art Agency Autonomy and Alienation dives deep into the political theories that earlier chapters have touched upon finally Multifaceted Bodies and Minds strays from and ultimately finds a way back to the intuitive wisdom and intraconnection of the self **See**

What You're Missing Will Gompertz, 2023-04-04 Taking us into the minds of artists from contemporary stars to old masters See What You're Missing shows us how to look and experience the world with their heightened awareness Artists are expert lookers they have learned to pay attention The rest of us spend most of our time on auto pilot rushing from place to place our overfamiliarity blinding us to the marvellous life affirming phenomena of our world But that doesn't have to be the case In his inimitable engaging style Will Gompertz takes us into the minds of artists from contemporary stars to old masters the well known to the lesser so and from around the world to show us how to look and experience the world with their heightened awareness In See What You're Missing we learn for example how Hasegawa Tohaku can help us to see beauty how David Hockney helps us to see colour and how Frida Kahlo can help us see pain In doing so we come to know the exhilarating feeling of being truly alive See What You're Missing is at once entertaining and enlightening art history while delivering empowering new insights to its reader

The Artistic Vision Alex Sosler, Gary Ball, 2024-07-25 When you look at the world what do you see As an artist your creativity stems from your vision The problem in the modern world is how often one's imagination is fragmented and reduced between worship and work the body and soul the material and the spiritual Written to practicing artists and those who pastor them The Artistic Vision encourages artists who long for a greater sense of purpose and a greater sense of wholeness proposing that seeing the material world as a shadow of spiritual realities will lead them toward an expression that joins faith and practice Drawing from the Oxford Movement and artistic examples like Christina Rossetti and Flannery O'Connor Ball and Sosler present a sacramental way of seeing the world the invisible through the visible the spiritual through the material the divine through creation Interspersed with practical vignettes from artists

and pastoral reflection The Artistic Vision helps artists regain an enchanted mysterious and reverent vision of life Artists neither have to check their faith at the studio door nor produce kitschy or easy art By creating with a sacramental vision they are seeing the world charged with the grandeur of God and inviting viewers into that participation **Think Like an Artist** Will Gompertz,2016-04-12 Learn how to jump start your imagination to conjure up innovative worthwhile ideas with help from some of the greatest artists in the world How do artists think Where does their creativity originate How can we too learn to be more creative BBC Arts Editor Will Gompertz seeks answers to these questions in his exuberant intelligent witty and thought provoking style Think Like an Artist identifies ten key lessons on creativity from artists that range from Caravaggio to Warhol Da Vinci to Ai Weiwei and profiles leading contemporary figures in the arts who are putting these skills to use today After getting up close and personal with some of the world s leading creative thinkers Gompertz has discovered traits that are common to them all He outlines basic practices and processes that allow your talents to flourish and enable you to embrace your inner Picasso no matter what you do for a living With wisdom inspiration and advice from an author named one of the fifty most original thinkers in the world by Creativity magazine Think Like an Artist is an illuminating view into the habits that make people successful It s time to get inspired and think like an artist Innovators David W. Galenson,2025-01-21 Some innovators are luminous shooting stars think Pablo Picasso Albert Einstein Sylvia Plath Bob Dylan Steve Jobs who make bold leaps early and suddenly then lose their creativity Others are late bloomers Paul Cezanne Charles Darwin Virginia Woolf Alfred Hitchcock Warren Buffett who show little early promise but spend long periods doggedly pursuing distant goals and attain greatness in old age By analyzing the careers of scores of great innovators this book reveals systematic differences in the motivations and methods of these two types and their very different patterns of creativity over the life cycle The result is a new and deeper unified understanding of the sources of human creativity **A Healing Place** Dermot Judge,2020-09-28 One man s quest to finding his healing place Searching for a residence in nature which he can call his own Dermot Judge finally finds his healing place where he will have respite from the quotidian pressures of life *A Marriage of Philosophy and Music* Erich Welling,2014-04 How to use philosophy and music to open your horizons and enjoy being yourself put theory to work and help you experience personal growth is discussed in *A Marriage of Philosophy and Music* It is all about after After having a liberal education you are comfortable in modern culture and after further education and becoming a specialist in some field you enjoy using your skills We learn the ideas and methods of many social cultures and our own chosen specialty but we often neglect the liberal art of disciplining and enjoying the ideas and methods of our own individuality This book offers a path toward the education of privacy with the key words being selection design and beauty The book relates five areas of general human interest spirituality philosophy science art and body awareness The interrelation is accomplished by using personal patterns of experience that are available from philosophy and music Because of the plurality of subject matters and methods used in philosophy and music their patterns of discipline are comparable to

self discipline A Marriage of Philosophy and Music attempts to create a path in this direction because besides the enjoyment of social culture and personal skills there is enjoyment in being yourself which is a neglected liberal art

Scoundrels, Cads, and Other Great Artists Jeffrey K. Smith, 2020-10-25 Just because the art is beautiful doesn't mean the artist was a saint Scoundrels Cads and Other Great Artists examines the lives of nine great artists who were less than exemplary human beings in their lives outside of their art It explores the question Why do we like magnificent art from artists who were awful human beings For example the great Baroque painter Caravaggio who developed the chiaroscuro style of painting was in constant trouble with the law even having killed a man in a duel Frederick Remington the great painter of the American West was an incredible racist and bigot His evocative paintings of Native Americans on the trail on horseback give no hint of Remington's enmity toward them and other ethnic groups in America Jackson Pollock His irascibility and petulance were compounded by a lifelong battle with alcoholism ultimately leading to a fatal automobile accident Whistler and Courbet were philanderers and libertines Scoundrels introduces people to great art by showing the more salacious side of the personal lives of great artists over time This book not only tells the stories of a dozen artists but explores how to look at art and the separation between art and artist This lively narrative is enhanced by over 100 full color reproductions of great paintings and details from them
