William The Conqueror Vs King Harold:

William the Conqueror Vs King Harold Jesse Lee Vint, 2015-03-07 Halley's Comet blazed across the western sky in the year 1066 A.D. To many at the time it was the fiery path of none other than Winged Victory prophesizing the greatest of all wars. Even rarer than Halley's Comet was the appearance of three undefeated warrior kings on this same year in North West Europe. All three of these warrior kings felt that they had a claim to the British crown and all three were incomparable fighters who were well known for never taking a step backward. For this reason 1066 was a year unlike any other in the western world. William the Conqueror is one of the most dashing powerful and massively influential figures in all of world history. Equally if not more fascinating is Harold Godwinson crowned King Harold II of England in January of 1066. Harald Hard Rule Hardrada the undefeated Viking warrior king of Norway was also a valiant figure who played a central role in the destiny of world history in 1066. Caught in the middle of a raging historical storm unlike any other was the highly precocious Princess Adeliza the young and beautiful daughter of William and devoted fiancé of her dauntless knight King Harold II. Adeliza's story has never been told until now. *Humor Heart History* These are the three words that define this work of historical fiction that is written in a style suggestive of an Arthurian romance adventure novel. I have boundless admiration for these historical figures whose feats and sacrifices were second to none in world history and aspired for all I am worth and stand for in this life to bring to the reader their timeless story in a manner that the reader would find both informative and entertaining. That is why I wrote this book. Jesse Lee Vint III William the Conqueror and the Rule of the Normans Frank Merry Stenton, 1908 *William the Conqueror* Paul Hilliam, 2004-12-15 Chronicles the life of the Duke of Normandy who defeated the Saxons at the Battle of Hastings became king of England and who dramatically changed the life of England's people. *WILLIAM THE CONQUEROR* NARAYAN CHANGDER, 2024-02-02 Note: Anyone can request the PDF version of this practice set workbook by emailing me at cbsenet4u@gmail.com.
