Finding Christ in the Old Testament: Searching Out How the Early Church Supported the Doctrines of Christ from only the Old Testament William Waddell, PhD., ThD., 2014-10-13 So the modern believer may be encouraged to search out Jesus not only in the New Testament but also in the Old The early church even though they had only the Old Testament did not lack in Scriptural backing when they preached and taught about Jesus The modern church should be as well armed having both the Old and New Testament at its disposal *Bewitched* Wayne Miller, 2010 In *Bewitched* Wayne Joseph Miller shows readers how to bring the power of the Holy Spirit back into their life and their faith With biblical depth he delivers a timely challenge to all believers showing you how to keep from being deceived protect your freedom in Christ expect miracles in your life and recapture the fire of the Holy Spirit Readers learn how to recognize and dismiss any teaching or influence that would seek to tear them away from two foundational truths 1 God s power at work in each of us is what gives us the power and the ability to overcome 2 What started in the Spirit has to be maintained by the Spirit and God s sanctifying enabling grace Miller wrote this book to show how the salvation message is often merely seen as a course in self improvement which deceives believers into thinking they no longer have to be saved by God s grace Readers will see why this belief abandons the work of the Holy Spirit and lets man rule by the flesh
