Winds Grace Stories Teachings Mystics:

Sweet Lunacy ,2020-05-01 Divine Intoxication is a common theme in Middle Eastern poetry The wine on which the seeker becomes drunk is nothing less than the nectar of love Such inebriation however often produces unconventional behavior even hints of madness marking the lover as one apparently lost to the ordinary world In this mood Kahlil Gibran wrote Only an idiot and a genius break man made laws and they are the nearest to the heart of God And so the poetry written by or about these drunkards is often saturated with perennial wisdom with stark reflections of the truth in vino veritas and with a variety of prayerful longing that is found throughout all mystical traditions Sweet Lunacy contains works by some of the most well known mystical Sufi poets from the 11th through the 14th century including Rumi Attar and Jami But the reader will also meet lesser known authors here whose messages both unique and fresh are equally inspiring The poets in this collection are those who for reasons which might not seem altogether reasonable to our everyday mind and logic were willing and able to question this mystery called life and unwilling to accept readymade answers Vraje Abramian born in Iran and a native speaker of Farsi has worked to keep his translations as close to the meaning and cultural flavor of the originals as possible He has researched Wise Fools in various cultures religions in the Near and Middle East Central Asia and India While anecdotes folk tales and stories about spiritual ecstasies are abundantly present in Sufi literature particularly no other single work focuses essentially on such profound lunacy and intoxication as this one does Following the Introduction the book is divided into three parts The Obstacle Mind The Battleground Heart and Deliverance The Journey Abramian has included poems and stories within each section that bring the reader's attention to these key distinctions in the mystical process While the subject matter is rare and refined the author is clear that every human being nurses within his or her heart a nostalgia remote and nameless a longing for something they cannot express This fine collection is valuable not only for the refinement of poetic content but also for the spiritual guidance of the great mystics whose voices are made available herein Sweet Lunacy is a must have for lovers seekers of truth and connoisseurs of beauty alike

The Poet of Mirrors ,2022-08-01 Mirza Abdolqader Azimabadi penname Bee del one who has lost or surrendered his heart was born in Putna India in 1644 CE and died in Delhi in 1721 He spoke Bengali wrote poetry in Persian Farsi and was familiar with Arabic Urdu Bengali and Sanskrit One of the most prolific and regarded poets of his day his style is considered the glory of Persian poetry of Central Asian Indian origin Among many ethnic groups outside the present borders of Iran whose culture mysticism and literature is influenced by the Iranian culture and language Bee del is classified alongside Ha fezan honor conferred on very few Bee del composed his first poems at age 10 As he became familiar with the teachings of the Sufis he continued to frequent their gatherings throughout life Their literature influenced both his work and his growing involvement in things of the spirit Traveling widely in India Bee del became familiar with the ages old Vedic teachings which are strongly reflected in his work As a mystic and dedicated practitioner of the Way Bee del refused to compose poems in praise of royalty or the rich and

powerful which was common practice at the time Although Bee del was and still is a favorite to many the available material about and from him is rare especially as his mystical understanding often required skillful editing to make it available to the average Farsi reader Still Bee del s relevance to our times is obvious his message is informed by a universal regard for the inner life and potential of humans regardless of geography ethnicity or religion which is a basic tenet in all genuine spiritual teachings including Sufism As a Sufi poet Bee del urges us to attend to our most important task experiencing as opposed to reading hearing about one s inner Origin Essence and thus realize the true purpose of our existence **The Divine Mind** Michael Gellert,2018-01-02 A Jungian psychoanalyst with a background in Judaism and Zen Buddhism explores the history of God concepts in the Judeo Christian and Islamic traditions This book is about the Abrahamic God s inner journey an epic that begins in the Hebrew Bible the common source of Judaism Christianity and Islam This God emerges as a living textured personality as tormented as a Shakespearean character and as divided against humanity as the devil who personifies his dark side Yet in heroic fashion he embarks on a journey to greater consciousness stretching into himself in the Talmud New Testament Qur an and Gnostic writings Then finally with and through the Jewish Christian and Islamic mystics he discovers his true self as the absolute Godhead He takes up residence in their psyches as their own Divine Mind or true self The book suggests that what God learned from his journey might be something that we in turn could learn from and that could help us at the dawn of the twenty first century In this way God s inner journey becomes a metaphor for our own Michael Gellert a Jungian psychoanalyst treats this story and the sacred writings that convey it as psychological facts as expressions of the human psyche regardless of whether or not God actually exists He shows how the Hebrew Bible presents God as a primitive barbaric tribal war god while centuries later the mystics portray him as their innermost essence and emptied of all projected external anthropomorphic images Thus God s inner journey and the evolution of human consciousness his story and ours parallel each other and are integrally related Rich in historical detail and psychological insights this is a book that will be welcomed by seekers of every background and orientation **Sisters of the Mystic Order - Fiction Story Book** Ravi Manian,2023-12-10 With richly developed characters intricate plot twists and a touch of ethereal romance Sisters of the Mystic Order weaves a spellbinding narrative that will transport readers to a realm where the mystical and the mundane collide Will the sisters unlock the secrets of their own destinies and fulfill the prophecy that binds them together or will the forces of darkness prevail I hope you like this story especially for children who love to hear fictional stories **Tall Tree, Nest of the Wind: The Javanese Shadow-play Dewa Ruci Performed by Ki Anom Soeroto** Bernard Arps,2016-04-18 Javanese shadow puppetry is a sophisticated dramatic form often felt to be at the heart of Javanese culture drawing on classic texts but with important contemporary resonance in fields like religion and politics How to make sense of the shadow play as a form of world making In Tall Tree Nest of the Wind Bernard Arps explores this question by considering an all night performance of Dewa Ruci a key play in the repertoire Thrilling and profound Dewa Ruci describes the mighty Bratasena s

quest for the ultimate mystical insight The book presents Dewa Ruci as rendered by the distinguished master puppeteer Ki Anom Soeroto in Amsterdam in 1987 The book s unusual design presents the performance texts together with descriptions of the sounds and images that would remain obscure in conventional formats of presentation Copious annotations probe beneath the surface and provide an understanding of the performance s cultural complexity These annotations explain the meanings of puppet action music and shifts in language how the puppeteer wove together into the drama the circumstances of the performance in Amsterdam Islamic and other religious ideas and references to contemporary Indonesian political ideology Also revealed is the performance s historical multilayering and the picture it paints of the Javanese past Tall Tree Nest of the Wind not only presents an unrivalled insight into the artistic depth of wayang kulit it exemplifies a new field of study the philology of performance

Bhima's Mystical Quest Petrus Suparyanto, 2019 This research based on the Jasadipoeran S rat D waruci the Ki Nartosabdan D waruci play and the dhalangs interpretation of the D waruci play they performed Using three divisions of the horizontal tripartite of the D waruci play and of the vertical tripartite of the wayang kulit cosmology together with the Javanese concepts of lair batin and rasa the examination of Bh ma s quest reveals three stages of the Javanese spiritual growth which can be systematically summarized as the purification of the corporeal feelings the purification of the emotional feelings and the purification of the intuitive feelings which culminates in the union with God the so called manunggaling kawula Gustia

Guru Nanak's Divine Teaching Swarn Singh Bains, 2010-06-28 There is no available information at this time

The Winds Of Grace, 2020-01-01 Drawing from the finest and most authentic texts available in the original Persian Farsi language Vraje Abramian offers this extensive collection of stories teachings and poetry from both major and unknown saints and mystics in the Sufi tradition Winds of Grace is a fresh and extensive collection that will both instruct and encourage individuals on the path of love and transformation Readers today need such roadmaps of sanity and wisdom pointing the way through life s obstacles and detours Indeed reading the works of saints and sages serves as a GPS for today s wayfarer The reader will find selections from today s most well recognized and highly acknowledged Masters like Rumi and Hafiz as well as hidden saints such as Sheikh Biabanaki and Sheikh Ali Mesri More uniquely however this book also introduces us to teachings and anecdotes of the obscure hermit the mad but unknown dervish the crazy naked ascetic Whether the mainstream punished tolerated or ignored these crazy wise people those who knew something about the pain they spoke of venerated them as saints Centuries ago many of these voices offered a shock to his or her contemporaries jarring them from the complacency that makes automatons of human beings Other voices contained a paradoxical twist on the religious life or practice of the times yet were soaked with an age old wisdom that is still vital to spiritual practitioners today The translator and editor Vraje Abramian advises readers that these secret sages often had to protect themselves from the powers that be in their society and therefore cloaked their messages in words that only disciples and initiates or those with a vulnerable mind and open heart could actually decipher He further reminds us that the

language adopted by Sufi teachers was designed to break the habits that normally deaden our sensitivities Abramian has therefore selected pieces that remind us to wake up to take stock to continue carefully observing ourselves And by vigilant sequencing of topics his book gently guides readers toward the essence truths or core teachings of these wise ones The translator is uniquely qualified to make this offering to religious studies today As an Iranian by birth a lifelong practitioner of spiritual disciplines and an accomplished teacher of English his renderings are characterized by academic authority poetic word craft and spiritual wisdom Mystic Treatises Isaac (Bishop of Nineveh),1923 **Readings in Daoist Mysticism** Livia Kohn,2009 A handy reader for students and teachers of mysticism in theory and practice this collects seven expanded conference presentations by foremost Daoist scholar Livia Kohn plus seven chapters of easily accessible translations of relevant primary sources The work is perfectly suited for classes on comparative religion and mysticism It is also a valuable resource for general information on the Daoist tradition and its rich mystical heritage *The English Catalogue of Books Published from January, 1835, to January, 1863* ,1864 **A Commentary on the Books of Old and New Testament** Dodd,1767 Hours with the Mystics Robert Alfred Vaughan,1860 **Johnson's Universal Cyclopaedia** ,1895 **The Universal Cyclopaedia** ,1900 **The Universal Cyclopædia** ,1900 Universal Cyclopaedia and Atlas Charles Kendall Adams,Rossiter Johnson,1901 *Johnson's Universal Cyclopedia* Charles Kendall Adams,1895 **Johnson's Universal Cyclopædia** Charles Kendall Adams,1898 *Universal Cyclopædia and Atlas* ,1903
