Bennett, Mendon Books, 2014-10-22 Yorkshire Terriers Dog Books for Kids Table of Contents Introduction Chapter 1 Early History Chapter 2 Fascinating Features Care Chapter 3 Amazing Yorkie facts Conclusion A Great Companion Author Bio Introduction My little dog a heartbeat at my feet Edith Wharton Yorkshire terriers are beautiful little dogs weighing approximately 7 pounds They are popular pets and great companions with a big personality despite their size They are also vivacious intelligent feisty and loving Although stubborn from time to time with the right training Yorkie s can be the most adorable pet Yorkshire Terriers have an interesting history This particular breed originated from Northern England but don t let its size fool you This little dog packs lots and lots of love A Terrier s coat is quite beautiful and silky in shades of black gray or even tan When Terriers started out they were used catch rats but during the Victorian era they became show dogs and beautiful pets Then after some years passed people forgot about this small companion but not for long When world world II started something amazing happened Can you guess what it was Yorkie Doodle Dandy appeared and because of her everyone fell in love with the terrier all over again Do you know who Yorkie doodle dandy was She was a beautiful 4 pound terrier that served during the world war She was found by an American soldier and for quite some time followed him on combat missions in the pacific traversed the New Guinea jungle and even an Okinawa typhoon Her owner Wynne called her An angel from a foxhole This real life story tells you a little about a terrier s personality Their protective nature This means Yorkie s are not too fond of strangers or other animals and they can get a bit aggressive And if they should see a squirrel the rest is history as they say Yorkie s have a tendency to feed off your emotions So if you are protective of them and their environment they will transfer those emotions to their personality and turn into a train wreck This means they will see danger at every turn and bark their little life away However the good qualities of Terriers far outweigh the bad ones For one thing they love spending time with you Being underfoot and basking in your warmth and affection is the best gift for a Terrier So take this aspect of their personality into consideration Ultimately Yorkie s are beautiful and loyal pets with a

high degree of intelligence It may take some time to mold them to family life but once their love and respect is earned you will not find a more lovable and charming pet
