You Just Dont Inderstand:

You Just Don'T Understand Laroya D. Griffin, 2011-10-07 There was a time when Bishop Derrick Anthony Garrett had some hard lessons to learn His wife threatened to divorce him The deacons of his church wanted to replace him His children nearly hated him But after some soul searching his life seems to be on the mend at least on the outside His congregation has grown to more than 2 000 members He is now a respected senior pastor and bishop who appears to be a successful man of God Despite it all Derrick is truly happy for the first time in his life But when a serious health problem arises he chooses to hide his situation from his family Now that things are starting to get better he doesn't want to burden them with his illness His wife's salon is doing well and his son Damon and his wife Alicia are youth pastors His daughter Deanna is getting married To the casual observer the Garretts have it all But when each family member has secrets to keep and no one to talk to even the happiest family may suffer
