The operating chair with a gas pump and cylinder beside it is half way between the centre of the room and one of the corners. If you look into the room through the window which lights it, you will see the fireplace in the middle of the wall opposite you, with the door beside it to your left, an M.R.C.S. diploma in a frame hung on the chimneypiece, an easy chair covered in black leather on the hearth, a neat stool and bench with vice tools, and a mortar and pestle in the corner to the right.
