Young Living Essential Oils Re Juva Nate Your Health:

Ancient Secrets of Facial Rejuvenation Victoria J. Mogilner, 2010-10-21 This natural skin care program is designed around the principle that the face reveals what the body feels and what the body suffers. It incorporates whole body healing to prevent and counteract signs of aging without surgery or harsh chemicals and at no cost. Derived from massage aromatherapy, acupressure, and traditional Chinese healing arts, these gentle techniques produce a more youthful face and lead to better physical health for the entire body. The book describes the skin's function as one of the body's major organs and shows how to use touch and massage on the pressure points in the face to improve the appearance of the skin and the health of the other organs. These simple techniques, some used in conjunction with essential oils, take just minutes to do and are easy to include in regular morning routines like putting on makeup or applying moisturizer. Breathing exercises, routines for specific problems, and affirmations to rid the body and mind of toxins round out the book.

The 30-Day Thyroid Reset Plan Becky Campbell, 2018-06-12 Get Your Health Back for Good In 30 Days. Millions of Americans have thyroid disorders and don't even know it. Dr. Becky Campbell, who has years of experience in the field, was one of those people but cured herself using this revolutionary program. What makes this approach different and more effective for lifelong results is that it looks for root causes and offers a well-rounded holistic treatment plan that addresses lifestyle, diet, environmental toxins, and more. This way you can fix the underlying problem rather than covering up the symptoms. Because the thyroid affects every system in the body, a whole host of symptoms can arise and can vary from person to person. To help individuals find the root cause of their thyroid disorder, Dr. Becky Campbell explains the seven hidden triggers that cause illness: gut infections, leaky gut, and food sensitivities, vitamin deficiencies, HPA axis imbalance, heavy metal toxicity, sex hormone dysfunction, and chronic infections. She then provides her all-natural treatment plan, which includes a highly effective and easy-to-follow 30-day reset diet so you can find which foods work for your body and which do not. She will also help you adjust your lifestyle with recipes for toxin-free products, ways to reduce stress, and much more. Invest in your health and use The 30 Day Thyroid Reset Plan to heal your body for life.
