Blue, Jeremy White, 2003-10-01 With combined sales over the past twenty years of almost twelve million books, the two most revered and trusted names in Christian finance have teamed up to create THE book for building your solid financial future. **Wealth to Last** will equip readers with the knowledge, financial tools, and wisdom needed to ensure their fiscal well-being in the second half of life. In doing so, they will be better positioned to bless those generations that follow them with a legacy of stewardship and resources. For a career to be fulfilling, that work should fit into the individual's values, talents, and gifts. In *Your Career in Changing Times*, Lee Ellis and Larry Burkett explore tying a career into the large picture of pursuing God's will through efficient use of one's gifts. You'll discover the four skills that every employee will need in tomorrow's job market: the how-to's of preparing for work through education and training, and even twelve steps you can take to help your children select the right career. Sixty to eighty percent of those in the work force are dissatisfied with their jobs. The workplace is changing. With economic prospects dim, companies are downsizing to make themselves more competitive, and college graduates are facing a dismal hiring environment. Automation and technology will reduce employment needs even more, and there will be strong competition for jobs. Whether you're a young person preparing to attend college, an executive considering a job change, or you're looking forward to retirement, *Your Career in Changing Times* is the tool you'll need to make these life-changing decisions. In a transforming workplace, you can't afford to be plagued with doubt about the skills you have to offer, and you can't afford to be uninformed about career planning.
