Creative Bible Lessons in 1 and 2 Corinthians Marv Penner, 2010-10-05 Christian adolescents in the 21st century face pretty much the same situations as the first century Christians in Corinth did an indulgent profligate choose your own god society The latest in the Creative Bible Lessons series *Creative Bible Lessons in 1 2 Corinthians* is a 12 lesson curriculum with an issues oriented spin on living

one's faith in the real world. It lets teenagers wrestle with the tension between biblical instruction and cultural realities. These 12 studies about the not so easily tamed people of Corinth and their founding pastor Paul of Tarsus pave the way for youth workers and Sunday school teachers to teach high schoolers about conversion, transformation, failure, leadership, authority, and God's constant saving love even in the midst of people making a mess of things. Here are some of the not so ancient issues you'll explore in this study: Give Me Liberty or Give Me Love, Friends Don't Let Friends Go, Unforgiven, Those Pesky STDs, Sexually Tough Decisions, Love Is No Easy Answer, Show Me the Money, and Ouch. Of course there's lots of what the Creative Bible Lessons series is known for: provocative and relevant discussion starters, to the point scriptures, high energy games, reproducible pages of interactive activities, all in the context of hard core Bible study. 12 lessons. *Kingdom Family* Trevecca Okholm, 2012-02-09

There is a lot of talk these days about how churches need to become more missional and Kingdom focused, but what about the families that make up our churches and often reflect the surrounding culture more than the Kingdom of God? Christian families know that God has a better purpose for marriage and family, but often don't have the slightest idea how to get there. And while many books on Christian marriage and family are inwardly focused on simply getting along better, this book addresses the cultural influences that have taken our focus away from God's intended purpose for marriage and family and through analysis and practical suggestions recalls marriages and families to the purpose for which God intended them in the first place, namely to serve God's Kingdom as witnesses to a world desperately seeking deeper purpose and authenticity. **The Student Leadership Training Manual for Youth Workers** Dennis Tiger McLuen, Chuck Wysong, 2010-12-21

As profound as relevant as funny as you are, teenagers still listen to each other more than to an adult youth worker. You may grimace, but you can't deny it: students talking to each other usually means more to them than adults talking to them. Here are 31 training sessions for discipling student leaders in a small group setting, sessions that start in the Bible and reach deep into teenagers' experience, ready for you to implement a clear and effective program that trains your students for higher levels of leadership, regardless of where they are now. Plus 24 pages just for you: a veritable primer on how to cultivate student leadership. The role of adults: Authority vs. responsibility. Setting student leaders up for success.
