Models for Youth Ministry Steve Griffiths, 2013-05-16 This book explores models for youth ministry from the life and ministry of Christ This area of study has become fossilised because youth workers rely too heavily on the notion of incarnational or relational youth ministry This leads them to believe that they must spend huge amounts of time with young people in order to earn the right to share the gospel with them The author argues that this foundation for youth ministry is inadequate and impractical and that it is not how Jesus himself operated He proposes a broader Christology as a foundation for youth ministry today Each chapter includes study questions for individuals or groups

A New Kind of Youth Ministry Chris Folmsbee, 2009-08-30 A New Kind of Youth Ministry challenges you to take a fresh look at your ministry through the concept of reculturing the act of changing the way things are done or simply creating a culture of change No fly by night change for the sake of change concept it's about altering our paradigms for the sake of life change
