Ministry, 2000-11 **Reaching a Generation for Christ** Richard R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed The Truth has not The 1950's are gone forever The days of the Sunday school attendance award and the much loved Sunday school picnic have faded into oblivion Yet some youth ministries still operate as if today's kids are living in a vacuum unaffected by the changing morals of today's society How can we reach these kids with the truth of the gospel More than fifty of America's youth experts give advice and encouragement to those who long to see this generation know the love of Christ They help readers think through their philosophies of youth ministry break down barriers that impede progress and maximize their own gifts and the gifts of those who work with them They answer tough questions such as How can leaders build a relational youth ministry How can we find and support volunteers What are the issues women face in youth ministry How do we minister in ethnic communities How should we respond to popular culture How can we help hurting adolescents You can have a vibrant youth ministry even in these uncertain times You can reach this generation for Christ

Postmodern Youth Ministry Tony Jones, 2001 The rules have changed Everything you believe is suspect The world is up for grabs Welcome to the emerging postmodern culture A free zone of rapid change that places high value on community authenticity and even God but has little interest in modern Western tinged Christianity Postmodern Youth Ministry addresses these enormous philosophical shifts and shows how they're affecting teenagers *Postmodernism and Youth Ministry* Scott M. Kopp, 2010-03-22 There are a number of ministers today that are unaware of the characteristics of postmodernism and of how it affects our young people This book is written for all who work with youth and young adults in ministry be they youth minister youth pastor director of religious education Sunday school teacher high school or college campus minister or pastor or pastoral associate It is an introduction to and framework for youth ministry and postmodernism By bringing together and synthesizing the present literature on postmodern theory and guides for youth ministry this book begins the discussion and lays the groundwork for a more comprehensive model and study for the future of youth ministry with a postmodern generation together with ideas for the working youth minister to begin implementation today **Engaging Generation Z** Tim McKnight, 2021-01-26 A holistic approach to reaching Generation Z in your local church To disciple the youth in our student ministries today we have to understand the unique characteristics of Generation Z and apply lessons learned from

Bolger,2005-12-01 The emerging church movement is perhaps the most significant church trend of our day The emerging church offers and encourages a new way of doing and being the church While it largely resonates with an eighteen to thirty four year old audience the first fully postmodern generation it is also gaining popularity with older Christians and encompasses a broad array of traditional and contemporary churches *Emerging Churches* explores this movement and provides insight into its success Filled with the latest research and interesting anecdotal testimonies from those on the cutting edge of ministry this book provides pastors church leaders and interested readers with an insightful glimpse into the thriving churches of today and tomorrow Emerging Hope Jimmy Long,2004-08-18 How do we do church in this era of cynicism Jimmy Long looks at the connections between postmodernism and the emerging generations GenXers and millennials highlighting implications for evangelism and discipleship Here is a hopeful strategy for ministry that will appeal to a generation starved for belonging Subject Guide to Books in Print ,2001 Adoptive Youth Ministry (Youth, Family, and Culture) Chap Clark,2016-01-26 Kids desperately need healthy committed adults who can help them thrive in their faith and become active participants in the life of the church This requires the efforts of the whole faith community

Preface *Get Ready, Get Set ... Go Ye!: Emerging Disciples In the Postmodern Era* Marsha L. Williams, DMin, MDiv,2015-02-09 We are called to be disciples and once we come into a real relationship with Jesus Christ to share it with others But recently we have drifted away from making disciples focusing instead on other things In this study author Rev Dr Marsha L Williams shows that discipling as the foundational mission of the church outlined by Jesus in the Great Commission is cyclical and intergenerational and that churches must maintain a current and vibrant message for every new generation As part of her doctoral thesis Williams interviewed recent graduates from the Emmanuel Baptist Church of Tinton Falls New Jersey to update church practices that attract and keep the postmodern generation by evaluating the effectiveness of discipling programs She now considers which practices were fruitful and why explores alternative methods for discipling generation next and develops new activities and relationships to grow an intergenerational link resulting in the disciplined becoming the disciples **Postmodern Culture and Youth Discipleship** Graham Cray,1998
