Zen Baggage A Pilgrimage To China:

Zen Baggage Bill Porter, 2009-03-01 In the spring of 2006 Bill Porter traveled through the heart of China from Beijing to Hong Kong on a pilgrimage to sites associated with the first six patriarchs of Zen. Zen Baggage is an account of that journey. He weaves together historical background, interviews with Zen masters, and translations of the earliest known records of Zen along with personal vignettes. Porter's account captures the transformations taking place at religious centers in China but also the abiding legacy they have somehow managed to preserve. Porter brings wisdom and humor to every situation whether visiting ancient caves containing the most complete collection of Buddhist texts ever uncovered, enduring a six-hour Buddhist ceremony searching in vain for the ghost in his room, waking up the monk in charge of martial arts at Shaolin Temple, or meeting the abbess of China's first Zen nunnery. Porter's previously published *Road to Heaven Encounters with Chinese Hermits* has become recommended reading at Zen centers and universities throughout America and even in China in its Chinese translation, and Zen Baggage is sure to follow suit.

Barbour,2022-03-31 Western Buddhist travel narratives are autobiographical accounts of a journey to a Buddhist culture. Dozens of such narratives have since the 1970s describe treks in Tibet, periods of residence in a Zen monastery, pilgrimages to Buddhist sites and teachers and other Asian odysseys. The best known of these works is Peter Matthiessen's *The Snow Leopard*. Further reflections emerge from thirty writers including John Blofeld, Jan Van de Wetering, Thomas Merton, Oliver Statler, Robert Thurman, Gretel Ehrlich and Bill Porter. The Buddhist concept of no self helps these authors interpret certain pivotal experiences of unselfing and is also a catalyst that provokes and enables such events. The writers' spiritual memoirs describe how their journeys brought about a new understanding of Buddhist enlightenment and so transformed their lives. Showing how travel can elicit self transformation, this book is a compelling exploration of the journeys and religious changes of both individuals and Buddhism itself.

Choosing to Be Simple Tao Yuanming,2023-11-07 Navigating the uncertainty of a divided China wracked by warfare and corruption, Tao Yuanming's poetry expertly translated by Red Pine chooses the path walked by China's ancient sages, finding joy in living a simple life. The latest work in Red Pine's rich career of translation, *Choosing to be Simple: Collected Poems of Tao Yuanming* is a definitive portrait of the early Chinese politician and poet. Thoroughly researched and beautifully translated, this bilingual collection of over 160 verses chronicles Tao Yuanming's path from civil servant to reclusive poet during the formative Six Dynasties period (220-589). Familiar scenes like farming and contemplating the nature of work and writing are examined with intimate honesty. As Red Pine illuminates Tao Yuanming's sensitive voice, we find the poet's solace and sorrow in a China transformed by modernity. Tao Yuanming's distinct verse shows a keen attention to rhythm as he explores the tension of scarcity and indulgence, duty and escape. Reverberating with clarity and sincerity and laced with humor, the poems of *Choosing to Be Simple* portray a man's timeless desire to live by the principles enshrined by China's sages. Guided by Tao Yuanming's own wonderment, we too find ourselves asking: Why did I ever question my heart? We are encouraged to find joy in simplicity: the tending of a garden, the sharing of wine with a stranger.

If a Mountain Lion Could Sing Xin Qiji,2025-05-06 *If a Mountain Lion Could Sing* stands as the first major English translation of poems written by China's greatest lyric poet, Xin Qiji. World renowned translator Red Pine has found a new dance partner. His latest bilingual collection, *If a Mountain Lion Could Sing*, boasts 126 poems by swordsman, visionary, and China's greatest lyric poet, Xin Qiji. Paying respects at the poet's grave and visiting the very places where Xin composed his stanzas—the cassia trees of the Wu River, houseboats along the Yangzi, mountain monasteries—Red Pine makes a physical and spiritual exercise of translation. Written over 800 years ago and to melodies since lost, Xin's verses still leap across centuries, mapping real and interior landscapes, relaying universal concepts of duty and solitude, love and nostalgia. Though true mirrors are hard to come by, Xin's poems serve as haunting reflections of a man who sang with heroic abandon.

Masters of China presents more than 300 traditional Zen stories and koans far more than any other collection. Retelling them in their proper place in Zen's historical journey through Chinese Buddhist culture, it also tells a larger story: how, in taking the first step east from India to China, Buddhism began to be Zen. The stories of Zen are unlike any other writing: religious or otherwise. Used for centuries by Zen teachers as aids to bring about or deepen the experience of awakening, they have a freshness that goes beyond religious practice and a mystery and authenticity that appeal to a wide range of readers. Placed in chronological order, these stories tell the story of Zen itself: how it traveled from West to East, with each Zen master to the next, but also how it was transformed in that journey from an Indian practice to something different in Chinese Buddhism, Chan, and then more different still in Japan. Zen. The fact that its transmission was so human, from teacher to student in a long chain from West to East, meant that the cultures it passed through inevitably changed it. Zen Masters of China is first and foremost a collection of mind-bending Zen stories and their wisdom. More than that, without academic pretensions or baggage, it recounts the genealogy of Zen Buddhism in China and, through koan and story, illuminates how Zen became what it is today.

Diary Ennin, 1955 *Ennin's Diary* Ennin, 2020-10-25 This book is the first complete translation into any modern language of the diary kept by Ennin, a Japanese Buddhist monk who traveled to China in AD 838 in search of new religious texts and further enlightenment in his faith. Ennin tells the memorable story of the hazards of sea travel in the ninth century and of his extensive journeys by foot and by riverboat throughout Northern China. In intimate detail he describes life in the cities and monasteries of Tang China, the ways of Chinese officialdom, secular festivals and public events. He depicts Buddhism as a living religion just at the point when it reached its apogee in China and offers the most authoritative account available of the great religious persecution of the 840s, which was so critical a turning point in Chinese history. Among the earliest diaries in Japanese literature, Ennin's immersive description of ninth-century China represents one of the first foreign eyewitness accounts of everyday life there. Despite its historical importance, Ennin's Diary has been long out of print, and it is our pleasure to make this great work available once again to the public. With a new foreword by Valerie Hansen, the modern reader will find this account more accessible and engaging than ever. **Promises to Keep** Miles O'Brien Riley, 1991-08
