de sac As a result of fifty years trial with fire the author speaks with vehemence of the utter futility of the phantasy of the east analyses the root causes of the crises in the West and points out the doom of auto soterism after his careful diagnosis of the human problem in cultural philosophical religious and theological terms The combination of his rich experiences in law and politics education and religion both in the East and the West gives his words the power of an authoritative witness Therefore this book deserves to be read and pondered by modern man who is trying to seek the moon in the water which is an illusion not a reality Publisher *The Three Pillars of Zen* Philip Kapleau,1967 Through explorations of the three pillars of Zen teaching practice and enlightenment Roshi Philip Kapleau presents a comprehensive overview of the history and discipline of Zen Buddhism An established classic this 35th anniversary edition features new illustrations and photographs as well as a new afterword by Sensei Bodhin Kjolhede who has succeeded Philip Kapleau as spiritual director of the Rochester Zen Center one of the oldest and most influential Zen centers in the United States **Ch'an and Zen Teaching** K'uan Yü Lu,1960 Chan and Zen Teaching: The Altar Sutra of the Sixth Patriarch.
