Zenit Ttl Manual:

The Camera Book Michael Langford, 1980 *MegaloPsychia* Rami Elias Kremesti, 2024-01-05 According to Rami Elias Kremesti nothing in life is worse than living in ignorance After many years of living in depression fear anxiety hate and confusion the author feels he is finally emancipated and enlightened and wants to bring a taste of this sweetness to the reader In his third book he talks about the accomplishments of the Jewish people the same people that were and are still demonized in his home country of Lebanon Rami was lucky he was able to escape from the toxic milieu of Lebanon after the end of the civil war Instead of East he went to the decadent West where paradoxically he tasted the truth in the poetry of Rumi in Los Angeles which was his home for about six years There he also met some Jewish people that became his lifelong loyal friends As Rumi puts it his soul caught fire He discovered the meaning of loving one's enemy and turning the other cheek You see dear reader when one tastes divine love all pettiness anger and attachment dissolves One starts to see unity instead of division All religions one praise as Rumi puts it In his first book *The Other Cheek of Islam* he reached out to his Muslim brothers In his second book *For Love of the Sacred Awe* he talks about beauty and aesthetic In his third one he reaches out to his Jewish brothers **The Camera Book** Michael J. Langford, 1985 **For Love of the Sacred Awe** Rami Elias Kremesti, 2021-12-31 *For Love of the Sacred Awe* is about a new way or the correct way of looking at beauty in the world When you realize that this creation of which we are part is a work of Love of a highly intelligent Loving Being which believers call God or Jhwh or Shiva then you experience the sacred awe Indeed this is the very definition of beauty something that has been created out of love There are a lot of photographers and artists out there with lost souls They try to be creative and odd to the point of being silly and superfluous all because they have not realized the ultimate truth there is a loving creator As a real artist or photographer you are participating in the creative process or witnessing and capturing the beauty of the Creation There is a paradigm shift that happens when you photograph a nude woman with the eyes of a Believer vs a lustful man seeking self satisfaction And God knows we have all experienced that strong physical pull of the lower chakras When you look at the fascinating beauty and symbiosis that is part of Nature and all its creatures and realize that all this was created for us human beings the Crown of Creation you become humble too the knowledge behind it is too great to fathom Living in such a higher spiritual state must be the goal of all human endeavour because anything less is just unfulfilled potential and misery Rami Elias Kremesti was born in Beirut Lebanon in December 1974 He came into the world in Phoenician Canaan the ancient Land of Milk and Honey where soon after his birth the Lebanese civil war broke out Growing up in a society wrecked by violence hate and fear the three blind children of ignorance Rami was pushed to seek the Truth from a very young age The physical fear of bombs creates in sensitive people as Kazantzakis puts it a disgust of superficial and fake things His first love was Chemistry it was the truth of the materialistic world to him But his escape was the Mediterranean Sea where he went fishing as a teen There were no spiritual role models or guides to inspire him in Lebanon

So he fell for Nietzsche and the Existentialists However Nihilism was unsatisfactory and men of science were a disappointment to him so he kept on seeking and eventually discovered the poetry of Rumi So he started to see beauty in the world and experience the Sacred Awe That is when he picked up a camera and started taking photos Rami s exile away from his homeland over the years brought him in contact with all kinds of people from all over the world lots of savages or barbarians He fell in love experienced joy and depression and heart break innocently All this was preparing him for the Ultimate Love in his Life Love of the Creator or as the Sufis call it Fana a Fi laah Annihilation in God He continues to express this Love through his writing camera and Love of Nature Rami keeps looking for living Saints to accompany his journey His day job in the UK is as water treatment specialist Protecting nature is his second calling Popular Photography ,1990-06
