find yourself paying tribute to each and every veteran The stories of personal sacrifice commitment and valor demonstrate the values that have made the United States of America the envy of the world Sixty veterans recall their time in uniform sharing stories that are tragic heart wrenching and sometimes funny These stories provide an excellent opportunity to gain an understanding and appreciation of veterans Celebrate what it means to be an American devoted to freedom with Veterans Reflections As a veteran himself the author is obviously very close to this work and it shows not only in his passion for his subject but also in his attention to detail His method which weaves the veterans own stories into an historical overview of a specific conflict is extremely effective The soldiers accounts go well beyond the war s scorecard and reveal some of the actual fears and experiences of the participants Anyone can tell the facts behind a story but those who have lived it can share insights no secondhand history can match The US Review of Books **Smell the Gunpowder** William R. Graser,2022-10-25 Smell the Gunpowder The Land of the Morning Calm is inspired by true events and veterans firsthand accounts of Americans who served in Korea Because of these veterans the Republic of Korea remains a free sovereign nation and one of the strongest and wealthiest countries in Asia Today North Korea continues to have a nuclear arsenal and is one of the most militarized countries in the world creating a critical security challenge Concerns about North Korea and its intentions remain at the highest level since the end of the 1950s and 1960s Korean Conflicts South Korea has urged the United States and North Korea to formally reach a peace agreement ending the decades long conflict The outcome of a peace agreement is uncertain and Smell the Gunpowder makes no pretense of providing the complete account of the undeclared unconventional struggles that have gripped Korea since 1945 although it may serve to refocus attention on a most intriguing chapter in the annals of American and Korean history **Veterans' Reflections** William R. Graser,2016 Through firsthand accounts of veterans who served during World War II the Cold War the Korean War the Vietnam War and Operations Desert Storm and Enduring Freedom you ll find yourself paying tribute to each and every veteran **Physics Briefs** ,1985-07
