Juicing, Fasting, and Detoxing for Life John Calbom MA, Cherie Calbom MS, 2008-07-30 Did you know the secret to vibrant health is in your blender? It's true: juicing vegetables provides concentrated nutrition that is found in virtually no other source: vitamins, minerals, enzymes, phytochemicals, and antioxidants. By juicing, you'll feel better, more energized, and improve your immune system. More than a simple collection of recipes, this book guides readers toward a lifestyle that promotes alkaline balance by juicing, eating well, and cleansing the body and soul. While most juicing books focus too much on fruit juice, which disrupts the body's pH balance with too much natural sugar, this book primarily focuses on juices, smoothies, and soups made from vegetables. It also offers a guide to the food richest in nutrients, from Vitamin A to zinc, and includes various cleanses to benefit the colon, liver, gall bladder, and kidney, and more. Beyond the body, the Calboms explain the heavy toll

emotional mental and spiritual unrest can take on the body and sometimes even encourage disease and share unique effective methods for cleansing the body of such toxicity

Life Gets Better Wendy Lustbader, 2011-08-18 The acclaimed author of *What's Worth Knowing* reveals the truth about aging Old age often offers a richer better and more self assured life than youth From our earliest lives we are told that our youth will be the best time of our lives that the energy and vitality of youth are the most important qualities a person can possess and that everything that comes after will be a sad decline But in reality says Wendy Lustbader youth is not the golden era it is often made out to be For many it is a time riddled with anxiety angst confusion and the torture of uncertainty Conversely the media often feeds us a vision of growing older as a journey of defeat and diminishment They are dead wrong As Lustbader counters Life gets better as we get older on all levels except the physical *Life Gets Better* is not a precious or whimsical tome on the quirky wisdom of the elderly Lustbader who has worked for several decades as a social worker specializing in aging issues conducted firsthand research with aging and elderly people in all walks of life and she found that they overwhelmingly spoke of the mental and emotional richness they have drawn from aging Lustbader discovered that rather than experiencing a decline from youth aging people were happier more courageous and more interested in being true to their inner selves than were young people *Life Gets Better* examines through first person stories as well as Lustbader's own observations how a lifetime of lessons learned can yield one of the most personally and emotionally fruitful periods of anyone's life As an eighty six year old who contributed her story to the book noted For me being old is the reward for outlasting all the big and little problems that happen to all of us along life's pathway The collected stories in *Life Gets Better* provide a hopeful corrective to the fear of aging aggressively instilled in us by the media Don't dread the future The best years of our lives just may be ahead
