Vietnam James Sullivan

John Siegfried

Vietnam James Sullivan:

Over the Moat James Sullivan, 2014-05-20 Cultures clash but love conquers with some fascinating twists and plenty of intimate details Kirkus Reviews James Sullivan's Over the Moat details his travels in Vietnam to bicycle from Saigon to Hanoi. He has just finished graduate school and has an assignment to write a magazine story about a country that is still subject to a U.S. trade embargo. But in Hue, the old imperial capital of Vietnam, the planned three-month bike trip in the fall of 1992 takes a detour. Here in a city spliced by the famed Perfume River and filled with French baroque villas, he finds himself bicycling over a moat to visit a beautiful shop girl who lives amid the ruins of the last imperial dynasty of Vietnam. She falls for him, but there's a catch. Several other suitors are vying for her hand, and one of them is an official with the city's police force. Over the Moat is the story of Sullivan's efforts to win Thuy's favor while immersing himself in Vietnamese culture, of kindly insinuating himself in Thuy's colorful and warm family, and of learning how to create a common language based on love and understanding.

Vietnam Veterans Memorial, 1982 **Trúc Lâm Buddhism in Vietnam** Laura Thuy-Loan Nguyen, 2021-01-13 In the thirteenth century, King Monk Tr n Nh n T ng founded the Tr c L m Thi n Chan Zen sect. During the Golden Age in Vietnamese Buddhist history, the sect flourished under three patriarchs with renowned Thi n masters. Unfortunately, the Tr c L m sect faded over the following centuries, and Thi n Buddhism in Vietnam, for the most part, disappeared. In the late twentieth century, a growing new religious movement led by Th ch Thanh T a Pure Land monk called for a restoration of Tr c L m Thi n Buddhism. Who is Th ch Thanh T? How and why did he choose to revive this particular sect and its emancipation practices? Tr c L m currently boasts hundreds of monasteries and thousands of monks and nuns in Vietnam and beyond, but how have the forces of modernity influenced its original traditions? Through existing literature and extensive onsite fieldwork, this book analyzes the history and revival of a forgotten Buddhist sect and examines the movement's reform.

Vietnam David G. Marr, 2013-04-15 Amidst the revolutionary euphoria of August 1945, most Vietnamese believed that colonialism and war were being left behind in favor of independence and modernization. The late September British-French coup de force in Saigon cast a pall over such assumptions. Ho Chi Minh tried to negotiate a mutually advantageous relationship with France, but meanwhile told his lieutenants to plan for a war in which the nascent state might have to survive without allies. In this landmark study, David Marr evokes the uncertainty and contingency as well as coherence and momentum of fast-paced events. Mining recently accessible sources in Aix-en-Provence and Hanoi, Marr explains what became the largest, most intense mobilization of human resources ever seen in Vietnam.

The Rough Guide to Vietnam Martin Zatko, Ron Emmons, 2012-07-12 The Rough Guide to Vietnam is the essential guide to one of Southeast Asia's most enticing destinations. Roam the markets, temples, and shops of thousand-year-old Hanoi, and then slow the pace down with a trip to national parks or the remote highlands. From the rugged mountains of Ha Giang in the north to the pancake-flat Mekong Delta in the south, the Rough Guide's honest and up-to-date appraisals will steer you to the best places.

to stay eat and party across every price range Reviews take in hill tribe homestays quirky hostels boutique hotels sophisticated restaurants and delicious street food while informed and accessible writing covers everything from Buddhism to battlefields This fully revised edition is full colour throughout helping the country s tremendous food impressive colonial architecture and colourful ethnic minorities leap from the page and detailed maps offer clear guidance Now available in ePub format

The Encyclopedia of the Vietnam War Bloomsbury Publishing,2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today s world Now in its second edition *The Encyclopedia of the Vietnam War A Political Social and Military History* adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

Vietnam War Slang Tom Dalzell,2014-07-25 In 2014 the US marks the 50th anniversary of the Gulf of Tonkin Resolution the basis for the Johnson administration s escalation of American military involvement in Southeast Asia and war against North Vietnam Vietnam War

Slang outlines the context behind the slang used by members of the United States Armed Forces during the Vietnam War. Troops facing and inflicting death display a high degree of linguistic creativity. Vietnam was the last American war fought by an army with conscripts and their involuntary participation in the war added a dimension to the language. War has always been an incubator for slang; it is brutal and brutality demands a vocabulary to describe what we don't encounter in peacetime civilian life. Furthermore, such language serves to create an intense bond between comrades in the armed forces, helping them to support the heavy burdens of war. The troops in Vietnam faced the usual demands of war as well as several that were unique to Vietnam: a murky political basis for the war, widespread corruption in the ruling government, untraditional guerilla warfare, an unpredictable civilian population in Vietnam, and a growing lack of popular support for the war back in the US. For all these reasons, the language of those who fought in Vietnam was a vivid reflection of life in wartime Vietnam. War Slang lays out the definitive record of the lexicon of Americans who fought in the Vietnam War. Assuming no prior knowledge, it presents around 2000 headwords, with each entry divided into sections giving parts of speech, definitions, glosses, the countries of origin, dates of earliest known citations, and citations. It will be an essential resource for Vietnam veterans and their families, students and readers of history, and anyone interested in the principles underpinning the development of slang.

The Rough Guide to Vietnam Mark Lewis, Jan Dodd, Ron Emmons, 2009-10-01. The Rough Guide to Vietnam is the essential guide with clear maps and detailed coverage of one of Southeast Asia's most enticing destinations. Using expert advice, explore the best attractions of Ho Chi Minh City, roam the best Vietnamese markets, shopping, temples, national parks, and then slow the pace down with a trip to the paddyfields of the Red River Delta. The Vietnam War Bernard C. Nalty,2015-06-25 The Vietnam War was the bloodiest and one of the most fascinating conflicts in the history of warfare It began with America pouring massive military aid upon the South Vietnamese in an attempt to thwart a Communist takeover and culminated in the peace with honour withdrawal by the Nixon administration This authoritative account accurately details every aspect of the Vietnam War and provides an overall view of the impact which it continues to have to this day

The Self-Propelled Voyager Duncan R. Jamieson,2015-09-03 Before the last quarter of the nineteenth century people who wanted to travel independently either walked or rode horses Then a newly invented machine changed forever the nature of personal transportation The cycle self propelled bicycles tricycles and tandems allowed almost anyone to travel around town around their region and around the world While dramatic developments in equipment clothing road surfaces and amenities make the physicality of cycling much different from the earlier era the experience of cycling has seen little change The Self Propelled Voyager How the Cycle Revolutionized Travel recounts how a transportation innovation opened the world for not only those who made the journey but also for the armchair travelers who read with interest the cyclists accounts of faraway places Following a brief history of the development of the cycle this book describes the exploits of long distance riders who wrote of their experiences their triumphs and their tragedies Duncan R Jamieson chronicles their journeys their personal stories and the times in which they lived revealing that despite the continuing rise and fall of cycling interest people continue to enjoy traveling in the slow lane Drawing on books and articles by the women and men who rode and wrote of their travels The Self Propelled Voyager also features photographs from the 1880s up to the modern day illustrating the development of the cycle through history Accessibly written yet comprehensive in its coverage this book will interest not only the cycling enthusiast but historians focusing on sport and sport tourism as well

Six Degrees of the Bracelet: Vietnam's Continuing Grip John Siegfried,2011-07-25 Six degrees of separation refers to the idea that everyone is at most six steps away from or connected to any other person on Earth While the Vietnam War was raging silver bracelets were created to raise awareness of and show support for American servicemen who were prisoners of war POW or missing in action MIA After the war black bracelets were produced to pay homage to any of our armed forces killed in action KIA The orange bracelet is more recent and symbolizes all those living and deceased who have suffered from diseases combat wounds and post traumatic stress resulting

from their Vietnam service These bracelets honor the memory and sacrifice of our troops one of the central goals of this book In December 2009 John Siegfried discovered the silver POW MIA bracelet that his mother in law had worn for over 20 years Curiosity urged him to contact the person named on the bracelet a contact that inspired him profoundly and set him on a path that resulted in this book Colonel Myron Donald willingly shared the story of both his service and imprisonment as a POW in Vietnam In a personal meeting with Colonel Donald Siegfried learned the harrowing details of how Donald overcame over five years imprisonment in the horrid conditions of North Vietnamese prisons This story opened his eyes to the harsh reality and bitter tragedy of a savage war and inspired him to begin researching the stories of others affected by the Vietnam War This book contains many of those stories as well as compelling insights into Siegfried s own journey of discovery All interviews within this book are true accounts and were conducted in person throughout the United States You will be riveted by the indescribable stories told by veterans about veterans and for veterans and by the families of the lost or still missing MIAs More than 3 400 000 men and women served in Southeast Asia Although close to 60 percent of all Vietnam veterans who served in country are no longer alive the families of all these veterans will continue to be affected by the Vietnam War for generations This book illustrates the misery and despair experienced by both soldiers and victims of this visceral war but also the exhilaration of combat and the camaraderie felt during their respective tours to present day The understanding of warfare combined with the appreciation of all the elements derived from combat is necessary to better comprehend the effects of battle on those who have sworn to protect our country Even if our soldiers did not incur flesh wounds they may have suffered irreparable damage to their emotions their psyche and their soul We civilians may never know or be able to comprehend the degradation caused to their human spirit and the violence and brutality they encountered We need also to continue to support these men and women in the aftermath of their courageous service

Vietnam: a Collection of War Stories from Nashua Veterans Ronald Dube,2017-12-21 This is the last installment in a trilogy about my hometowns involvement in our countrys mid twentieth century wars I researched the pages of the Nashua Telegraph from 1060 through 1973 looking for names leads and stories about local men and women who participated in Americas most contentious war The paper published news and features from Derry Salem east of Nashua west to Jaffrey Rindge and north to New Boston The Nashua Telegraph also covered Tyngsboro Pepperell and Dunstable Massachusetts Sadly times for newspapers have changed and the Telegraph has a much reduced coverage area

Historical Memory and Representations of the Vietnam War Walter L. Hixson,2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

America's Vietnam War and Its French Connection Frank Cain,2016-12-08 That America was drawn into the Vietnam War by the French has been recognized but rarely explored This book analyzes the years from 1945 with the French military reconquest of Vietnam until 1963 with the execution of the French endorsed dictator Ngo Dinh Diem demonstrating how the US should not have followed the French into Vietnam It shows how the Korean War triggered the flow of American

military hardware and finances to underpin France's war against the Marxist oriented Vietnam Republic led by Ho Chi Minh

While this might not be the Vietnam James Sullivan full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Vietnam James Sullivan eBooks, including some popular titles.

FAQs About Vietnam James Sullivan Books

What is a Vietnam James Sullivan PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Vietnam James Sullivan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Vietnam James Sullivan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Vietnam James Sullivan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Vietnam James Sullivan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
