When I Pray What Does God Do:

Everything the Bible Says About Prayer ,2012-08-01 What the Bible Really Says about Prayer Countless books have been written about prayer how to pray and when to pray This book includes exactly what God says about prayer straight from his Word It is organized by subject such as prayer in the Old Testament types of prayer prayers of the psalmists and prayers of Jesus All the scriptural prayers and primary references to prayer are collected in this clear concise book with enough explanation to help even those new to the Bible Its length and focus make it perfect for readers who love the Word of God

What are We Doing when We Pray? Vincent Brümmer,2008 Vincent Brümmer's classic book on prayer from 1984 provides a comprehensive philosophical analysis of central issues regarding the nature and practice of prayer This new edition has been substantially revised and updated Serving as a valuable core text for students this book also contributes to a number of current debates in theology and philosophy of religion the debates on realism and religious belief on the rationality of faith and the nature of theology on the relation between religious belief and morality on the relation between science and religion and the lively debate among evangelical Christians in America on the openness of God

What Are We Doing When We Pray? Vincent Brümmer,2017-05-15 Vincent Brümmer's classic book on prayer from 1984 provides a comprehensive philosophical analysis of central issues regarding the nature and practice of prayer What do we do when we ask things of other people when we thank them or praise them when we express penitence for what we have done to them and ask their forgiveness And how does doing these things in relation to God differ from when we do them in relation to other people And what does this entail for the existence and nature of the God to whom we pray This new edition has been substantially revised and updated Three new chapters have been added which develop in detail a hint by G K Chesterton that faith is not a thing like a theory but a thing like a love affair Since prayer is the expression of this love affair it is also the clue to understanding the nature of faith These chapters contribute significantly to the current academic interest in spirituality by showing how Brümmer's analysis of prayer helps us to understand the nature of spirituality of faith and religious belief and of theology Spirituality is not aimed at achieving religious experiences or mystical knowledge about God it is primarily aimed at attaining the religious form of life and at coming to see the world in the light of faith Religious belief is not merely a cognitive enterprise like science it cannot be divorced from spirituality and the life of faith and is therefore fundamentally existential and not merely intellectual Serving as a valuable core text for students this book also contributes to a number of current debates in theology and philosophy of religion the debates on realism and religious belief on the rationality of faith and the nature of theology on the relation between religious belief and morality on the relation between science and religion and the lively debate among evangelical Christians in America on the openness of God

When I Pray, What Does God Do? David Wilkinson,2015-05-15 Scientist and theologian David Wilkinson shares his insights and struggles with the question of how God answers prayer

Does God Always Get What God Wants? Tim Reddish,2018-03-16 Tim's wife Anne died of breast

cancer at the age of forty nine having battled against the disease for more than six years Her suffering had a profound influence on their lives and that of their church and raised challenging questions If God is in control does that mean God is to blame for suffering Why did God not heal Anne Is Anne s death what God wanted to happen Does prayer make any difference What is God doing about evil People s experience of suffering causes them to examine the kind of God they believe in the nature of the universe God made and God s activity in the world This book explores all three aspects and responds constructively to the complex issues that the above questions pose and provides powerful reasons for confidence in the firm Christian hope

Becoming a Person of Prayer Chris Craig,2007-04 In this book Craig offers practical biblical answers to show how to pray powerfully and well for oneself and for others This volume is an excellent well organized guide to prayer for personal spiritual growth or for group study Christian

Let Us Pray: A Symposium on Prayer by Leading Preacher and Theologians R. C. Sproul,John MacArthur,John Piper,Joel Beeke,Steven J. Lawson,W. Robert Godfrey,Richard D. Phillips,Hywel Jones,Michael Haykin,Phil Johnson,Bruce Bickel,2015-03-16 When our Lord s disciples came to Him regarding prayer they did not ask Him to teach them how to pray but rather they asked Him to teach them to pray Obviously even those closest to Christ needed to learn to pray And so do we Here some of our best Bible teachers and expositors give us instruction on prayer from why we should pray to what prayer is how it ties in with God s sovereignty what it means to pray in Jesus name what it means to hallow God s name and why God is to be the focus of our prayers not ourselves These and many other topics are addressed in this helpful book
