J. Ann Tickner, Laura Sjoberg

When War Is Unjust Second Edition Being Honest In Just War Thinking:

When War Is Unjust, Second Edition John Howard Yoder, 2001-10-10 Can a war really be considered just? If so, which wars and under what circumstances? If not, why not? *When War Is Unjust* provides a systematic exploration of these questions for students of ethics, Christian doctrine, and history. For centuries, the just war tradition has been the dominant framework for Christian thinking about organized conflict. This tradition sets a number of specific conditions which must be satisfied before a particular war can be termed just and therefore supportable by the faithful Christians. John Howard Yoder himself, a pacifist, approaches the just war theory on its own terms. His purpose is to introduce the student to this just war tradition and to offer a critical framework for evaluating its tenets and applying them to real conflicts. *When War Is Unjust* takes the just war tradition seriously and holds its proponents accountable in a critical debate about when, if ever, war can be justified. It is a readable and thought-provoking primer on the history, criteria, and application of just war teaching in Christian churches.

When War Is Unjust, Second Edition John Howard Yoder, 2001-10-10 Can a war really be considered just? If so, which wars and under what circumstances? If not, why not? *When War Is Unjust* provides a systematic exploration of these questions for students of ethics, Christian doctrine, and history. For centuries, the just war tradition has been the dominant framework for Christian thinking about organized conflict. This tradition sets a number of specific conditions which must be satisfied before a particular war can be termed just and therefore supportable by the faithful Christians. John Howard Yoder himself, a pacifist, approaches the just war theory on its own terms. His purpose is to introduce the student to this just war tradition and to offer a critical framework for evaluating its tenets and applying them to real conflicts. *When War Is Unjust* takes the just war tradition seriously and holds its proponents accountable in a critical debate about when, if ever, war can be justified. It is a readable and thought-provoking primer on the history, criteria, and application of just war teaching in Christian churches.

The Morality of War - Second Edition Brian Orend, 2013-09-10 The first edition of *The Morality of War* was one of the most widely read and successful books ever written on the topic. In this second edition, Brian Orend builds on the substantial strengths of the first, adding important new material on cyber warfare, drone attacks, the war in Iraq, and Afghanistan, conflicts in Libya and Syria, and protracted struggles like the Arab-Israeli conflict. Updated and streamlined throughout, the book offers new research, tools, and case studies while keeping the winning blend of theory and history featured in the first edition. This book remains an engaging and comprehensive examination of the ethics and practice of war and peace in today's world.

The Nonviolent Atonement, Second Edition J. Denny Weaver, 2011-01-26 A provocative study that cuts to the very heart of Christian thought, *The Nonviolent Atonement* challenges the traditional Anselmian understanding of atonement along with the assumption that heavenly justice depends on Christ's passive, innocent submission to violent death at the hands of a cruel God. Instead, J. Denny Weaver offers a thoroughly nonviolent paradigm for understanding atonement grounded in the New Testament and sensitive to the concerns of pacifist, black feminist, and womanist theology. While many scholars have

engaged the subject of violence in atonement theology Weaver's *Nonviolent Atonement* is the only book that offers a radically new theory rather than simply refurbishing existing theories Key features of this revised and updated second edition include new material on Paul and Anselm expanded discussion on the development of violence in theology interaction with recent scholarship on atonement and response to criticisms of Weaver's original work Praise for the first edition The best current single volume on reconstructing the theology of atonement S Mark Heim in *Anglican Theological Review* Weaver provides an important contribution to atonement theories by seriously inserting the contemporary concerns of pacifist feminist womanist and black theologians into the centuries old christological conversation A provocative but faithful proposal benefiting any student of christology Religious Studies Review A noteworthy contribution to the literature on the atonement Weaver provides a useful critique of the history of atonement motifs he does a fine job of placing Anselm's theology in its historical context he creatively fuses a singular biblical vision from the earthly narrative of the Gospels and the cosmic perspective of the Apocalypse and he attempts to relate discussions of the atonement to Christian social ethics Trinity Journal This is a superb succinct survey and analysis of classical and contemporary theories of the atonement ideal for students and general readers A clearly written passionately expressed introduction to current debates on the atonement Excellent resource Reviews in Religion and Theology

The Present "Just Peace/Just War" Debate Ad de Bruijne, Gerard den Hertog, 2018-09-01

At first the end of the Cold War seemed to mark a period of relative rest However it became apparent that we have not reached the end of history As a matter of fact the world is confronted by new political constellations of so far unknown martial intensity Although Muslim terrorism and the revival of tribalism and nationalism are closely connected At the same time the international community proves mostly powerless as a result of the cooling relationship between East and West These developments offer challenging questions for Western societies Both in Germany and in the Anglo Saxon world debates on the concepts of Just peace Just war have intensified but mutual engagement between these contexts has remained scarce Against this background a conference was held in Apeldoorn in a Dutch interspace in 2016 in which ethicists from both contexts were involved The present volume contains the edited version of the seven contributions to this conference supplemented with four articles by others that were written deliberately for this volume

Die Debatte Gerechter Frieden Gerechter Krieg Zwei Diskussionen oder eine Nach dem Ende des Kalten Krieges hatte es den Anschein als breche eine Friedensperiode an Leider hat sich inzwischen gezeigt dass wir nicht ans Ende der Geschichte gelangt sind Vielmehr sieht sich die Welt am Beginn des 21. Jahrhunderts mit neuen politischen Konstellationen ungekannter kriegereischer Intensität konfrontiert Dabei hängen islamistischer Terror und das Wiederaufleben von Tribalismus und Nationalismus zusammen Hinzu kommt dass das Ost West Verhältnis sich zunehmend verschlechtert wodurch die Machtinstrumente der internationalen Gemeinschaft kraftlos geworden sind Diese Entwicklungen stellen herausfordernde Fragen an die westlichen Gesellschaften Sowohl in Deutschland als auch in der angelsächsischen Welt ist die Debatte über die Themen Gerechter

Frieden Gerechter Krieg neu aufgebrochen aber sie findet weitgehend getrennt voneinander statt Vor diesem Hintergrund hat 2016 in Apeldoorn im niederl ndischen Zwischenraum eine Konferenz stattgefunden an der Ethiker aus beiden Kontexten beteiligt waren Dieser Band dokumentiert deren sieben Vortr ge erg nzt um vier Aufs tze die speziell f r diesen Band geschrieben wurden Mit Beitr gen von Ted van Baarda Nigel Biggar Jan Peter van Bruggen Ad de Bruijne Guido de Graaff Gerard den Hertog Marco Hofheinz Wolfgang Lienemann Hans Ulrich Pieter Vos Greetje Witte Rang Just War and Christian Traditions Eric Patterson,J. Daryl Charles,2022-12-15 This much needed anthology contains historically informed insights and analysis about Christian just war thinking and its application to contemporary conflicts Recent Christian reflection on war has largely ignored questions of whether and how war can be just The contributors to Just War and Christian Traditions provide a clear overview of the history and parameters of just war thinking and a much needed and original evaluation of how Christian traditions and denominations may employ this thinking today The introduction examines the historical development of Christian just war thinking differences between just war thinking and the alternatives of pacifism and holy war distinctions among Christian thinkers on issues such as the role of the state and lesser evil politics and shared Christian theological commitments with public policy ramifications for example the priority of peace The chapters that follow outline from Catholic Orthodox Lutheran Reformed Anglican Methodist Baptist and Anabaptist denominational perspectives the positions of major church traditions on the ethics of warfare The contributors include philosophers military strategists political scientists and historians who seek to engage various and distinctive denominational approaches to the issues of church and state war peace diplomacy statecraft and security over two thousand years of Christian history Just War and Christian Traditions presents an essential resource for understanding the Judeo Christian roots and denominational frameworks undergirding the moral structure for statesmanship and policy referred to as just war thinking This practical guide will interest students pastors and lay people interested in issues of peace and security military history and military ethics Contributors John Ashcroft Eric Patterson J Daryl Charles Joseph E Capizzi Darrell Cole H David Baer Keith J Pavlischek Daniel Strand Nigel Biggar Mark Tooley and Timothy J Demy *America and the Just War Tradition* Mark David Hall,J. Daryl Charles,2019-03-30 America and the Just War Tradition examines and evaluates each of America s major wars from a just war perspective Using moral analysis that is anchored in the just war tradition the contributors provide careful historical analysis evaluating individual conflicts Each chapter explores the causes of a particular war the degree to which the justice of the conflict was a subject of debate at the time and the extent to which the war measured up to traditional ad bellum and in bello criteria Where appropriate contributors offer post bellum considerations insofar as justice is concerned with helping to offer a better peace and end result than what had existed prior to the conflict This fascinating exploration offers policy guidance for the use of force in the world today and will be of keen interest to historians political scientists philosophers and theologians as well as policy makers and the general reading public Contributors J Daryl Charles Darrell

Cole Timothy J Demy Jonathan H Ebel Laura Jane Gifford Mark David Hall Jonathan Den Hartog Daniel Walker Howe Kerry E Irish James Turner Johnson Gregory R Jones Mackubin Thomas Owens John D Roche and Rouven Steeves **The Politics of Yahweh** John C. Nugent, 2011-11-08 John Howard Yoder is most famous for arguing in *The Politics of Jesus* that a sound reading of the New Testament demonstrates the abiding relevance of Jesus to social ethics However it is seldom acknowledged that Yoder makes essentially the same argument with regard to the Old Testament Throughout his extensive writings Yoder offers a provocative interpretation of the Old Testament that culminates in the way of Jesus and establishes the ethical ecclesiological and historiographical continuity of the entire biblical canon In *The Politics of Yahweh* presented as a prequel to *The Politics of Jesus* John C Nugent makes Yoder's complete Old Testament interpretation accessible in one place for the first time Nugent does not view Yoder's interpretation as flawless Rather Nugent moves beyond summary to offer honest critique and substantial revision His constructive proposal which stands in fundamental continuity with the work of Yoder is likely to provoke thought from theologians biblical scholars and ethicists Even at points where readers disagree with some of his and Yoder's interpretations they will be challenged to explore new perspectives and rethink common assumptions concerning the diverse and often confusing issues that arise from sustained reflection on the Old Testament

Reconcile John Paul Lederach, 2014-08-11 Emotionally powerful and full of practical advice and resources PUBLISHERS WEEKLY *Reconcile* Conflict Transformation for Ordinary Christians by international mediator John Paul Lederach serves as a guidebook for Christians seeking a scriptural view of reconciliation and practical steps for transforming conflict Originally published as *The Journey Toward Reconciliation* and based on Lederach's work in war zones on five continents this revised and updated book tells dramatic stories of what works and what doesn't in entrenched conflicts between individuals and groups Lederach leads readers through stories of conflict and reconciliation in Scripture using these stories as anchors for peacemaking strategies that Christians can put into practice in families and churches Lederach who has written twenty two books and whose work has been translated into more than twelve languages also offers new lenses through which to view conflict whether congregational conflicts or global terrorism A new section of resources created by mediation professionals professors and pastors offers tools for understanding interpersonal church and global conflict worship resources books and websites for further study and invitations to action in everyday life Free downloadable study guide available [here](#)

Feminism and International Relations J. Ann Tickner, Laura Sjoberg, 2013-07-03 Feminist International Relations scholarship in the United States recently celebrated its 20th anniversary Over those years feminist researchers have made substantial progress concerning the question of how gender matters in global politics global economics and global culture The progress has been noted both in the academic field of international relations and increasingly in the policy world Celebrating these achievements this book constructs conversations about the history present state of and future of feminist International Relations as a field across subfields of IR continents and generations of scholars Providing an overview and

assessment of what it means to gender IR in the 21st century the volume has a unique format it features a series of intellectual conversations presenting cutting edge research in the field with provocative comments from senior scholars It examines issues including global governance the United Nations war peace security science beauty and human rights and addresses key questions including What does viewing the diverse problems of global politics through gendered lenses look like in the 21st Century How do feminisms accommodate differences in culture race and religion How do feminist theoretical and policy analyses fit together These conversations about feminist IR are accessible to non specialist audiences and will be of interest to students and scholars of Gender Studies Feminist Politics and International Relations

When War Is Unjust Second Edition Being Honest In Just War Thinking Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free When War Is Unjust Second Edition Being Honest In Just War Thinking PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free When War Is Unjust Second Edition Being Honest In Just War Thinking PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of When War Is Unjust Second Edition Being Honest In Just War Thinking free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
