Tims,2012-03-06 I began to question whether I would live through the pain It felt like her world had ended A personal betrayal had led to a very public scandal and when the dust cleared Riva Tims had lost her marriage the church she had helped found and the life she had known for nearly fifteen years Then she received the news that her ex husband Zachery Tims had died suddenly at the age of forty two There were times when she didn t think she would make it through the grief When It All Falls Apart is the road map God gave her to reach a place of healing and wholeness Using her own moving story as a backdrop she provides answers and hope for those who are dealing with the unexpected and sometimes sudden trials in their lives Whether you are dealing with the unexpected death of a loved one betrayal by someone close to you sudden divorce loss of a home failure of a business or relationship or any other serious issue with God s help you can turn your trial into triumph A Reason to Carry On Julius Mwangi,2010-02-17 How is it possible to carry on with life when the world you

live in is falling apart How is it possible that the very thing you prayed for for so long is suddenly taken away from you and you are left empty How is it possible that the people you run to for friendship and help now turn away from you leaving you sad and lonely What does one do when there is nothing to hold on to when friends and family turn away and there is nowhere to turn to Where do you turn to when the world gets too cloudy and unreceptive when the sounds of laughter mimic clanging cymbals and relationships become rocky and disintegrate How is it possible to hold on when the future is so gloomy God has made a way for you He does not delight in your misery There s a way he has made for you through the darkest wilderness where there has never been a way Don t give up yet it s going to be okay Keep your hope alive weeping may endure for the night but joy comes in the morning There is a morning that is coming for you Your world will not fall apart something will work out beyond your expectation and wildest imagination New friends will come your way to replace those who left Your family will come through whatever challenges they have been facing and God will bring a spirit of understanding and forgiveness You were designed with an endurance capability and whatever you go through he tested you for it in advance and

you passed There is nothing that will hold you back unless you give it permission to Whatever you set your mind to do you will achieve because that is where your heart will be He knows the potency he put in you He knows the acumen he put in you and He knows you will not break under any weight or pressure God knew you would be tried and tested like Jesus was but nothing will break you God put in you a resilience power when you are down you will easily rise up and carry on He put in you a wake up power that puts you back in motion even in your weakest moment He put in your heart a new song a song of victory because when he formed you he knew you will be an over comer That is why you never give up that is why something inside you tells you to move on carry on don t stop here That is what this book is about to provide you with a map quest that will guide you from the undesirable location you are at and provide you with ideas of how you can move on with your life Regardless of how far you have gone into the rugged interior you can begin again You creator designed you with the ability to recharge yourself in times of turmoil so that in place of giving up you can restart your life and carry on I pray that this book will lead you to that point where you can ultimately recharge yourself put your life together and carry on
