

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of yellow, orange, and brown. The road leads towards a bright light at the end of the path, creating a strong sense of perspective. The overall mood is contemplative and serene.

us to know And you may not have to use what God told you about a situation to generalize and apply it to some other situations If you do you may be erring and deceiving yourself and others **Success is Your Own Damn Fault** Larry Winget,2020-09-22 SUCCESS IS YOUR OWN DAMN FAULT That principle guided Larry Winget from bankruptcy and despair to massive wealth and worldwide fame as a bestselling author and star of A E s hit television program Big Spender It has transformed the lives of thousands of people who have heard Larry s message and embraced his philosophy The Pitbull of Personal Development as Larry is called offers straight talking insights and street proven ideas you can immediately use for a better life and work experience Larry is the best combination of credible content as backed up with his five bestselling books and over 20 years of experience speaking to nearly 400 of the Fortune 500 companies He is unique No one says what he says and no one looks like he looks He is the world s only Irritational Speaker Caustic straight forward and hilarious he never minces words while offering solid advice for improving your life and your business You will learn Success is SIMPLE How to work BETTER Five ideas that will make you LOVE your job How to give and receive RESPECT How to become INVALUABLE How to serve BETTER and sell MORE A five times New York Times Wall Street Journal bestselling author Larry is a member of the International Speaker Hall of Fame He has starred in his own television series and appeared in national television commercials Larry is a regular contributor on many news shows on the topics of money personal success and business

When Bad Things Happen What's Gods Purpose Wilfred Bridges,2013-03-26 Sometimes bad things happen to good people When life has made a turn for worse and you are left with what seems to be no options what are you to do When you ve made good choices daily and yet you get hit with tragedy does it mean you ve gone wrong somewhere When did you meander off of life s easy pathway How did you end up following the twists and turns of troublesome ways to wind up empty and trodden on Pastor Wilfred Bridges Sr shows us how sin has separated us from God and how when we reach times of trouble in our lives we can remain strong and seek God for answers rather than seeking a target for blame With Pastor Bridges s book *When Bad Things Happen What s God s Purpose* you can stop thinking in bondage and start finding strength in your faith Yes we suffer because of sin Yes we go through tribulations because of the errors of our ways But we can come out of it stronger than before redeemed only through Christ **Surviving with Dignity** Scott M. Youngstedt,2013 *Surviving with Dignity* explores three key interconnected themes structural violence suffering and surviving with dignity through examining the lived experiences of first and second generation migrant Hausa men in Niamey over the past two decades in the current neoliberal moment Colonialism state mismanagement structural adjustment and global neoliberalism have inflicted structural violence on Nigeriens by denying them human and particularly socioeconomic rights and relegating them to a status at or very near the bottom of UN Human Development Index in each year of the past decade As a result of structural violence most Hausa of Niamey suffer grinding and intractable poverty that has intensified over the past two decades Suffering is a recurrent and expected condition it is the normal condition The central goal of the book is to explain

the material migration and informal economy work and symbolic meaning making strategies that Hausa individuals and communities have deployed in their struggles not only to literally survive in the face of economic austerity on the outer periphery of the global economy but also to survive with dignity Despite daunting challenges many Hausa men find strength and patience in their humble devotion to Islam cherish their vibrant sociability and gracious hospitality deeply value extraordinary conversational virtuosity and knowledge deploy humor in complex transcendent defensive and self critical ways perpetuate a sense of hope and optimism for the future articulate their own modernities and strive relentlessly to feel connected to the modern world at large Extreme poverty created by socioeconomic injustice constitutes an unacceptable assault on human dignity Hausa men s remarkable strength does not negate the reality of the socioeconomic injustices they face Their dire poverty in a world of plenty is unacceptable even when they handle it gracefully Perspectives

Nathaniel,2014-05 Perspectives discusses the journey of the author to accomplish a task he received to see the good in all things for thirty consecutive days He presents the conflicts experienced during and after the 316 days it took him to complete the task The author discusses the lessons received that have changed his perspective on the roles of self the interaction of self with positive and negative energies and his relationship with others Perspectives demonstrates what can be achieved when you allow yourself to reject the influence of negative forces in your life and interpret all that we see with the strength of understanding and love The author encourages self awareness as well as awareness of both positive and negative energies so that readers like the author will learn to distinguish the bounty of love that exist in their lives In doing so readers can experience a greater fulfillment of life and a deeper understanding of our spiritual connections Perspectives promotes spiritual understanding and evolution through the author s own personal experiences In the process the reader is able to find the method to correlate and advance their own life journey from the information presented Those who are truly ready to control their own spiritual journey will be afforded the opportunity to expand their understanding of self and of universal awareness through their continual spiritual evolution *A Journey to Discovering Your Inner Greatness* Tonya
