How I Became a Man Alexander Krylov, 2022-09-01 This book takes us into the heart of the Soviet Union where Alexander Krylov grew up as an underground Catholic in the 1970s and 1980s never even entering a church until he was a teenager How does faith in God live on when God is outlawed How I Became a Man shows us offering glimpses at the everyday reality of Communism through the eyes of a child with humor irony and a keen sense of human goodness Divided into short vignettes this book challenges us look at our own lives differently especially with regard to freedom How I Became a Man is a courageous joyous even whimsical testimony of living the Catholic faith in today's world

Mobilizing Men for One-on-One Ministry Steve Sonderman, 2010-09-01 Men's breakfasts golf outings and other events still have a place in men's ministry But Steve Sonderman is finding that the most effective ministry is relational rather than programmatic Drawing from the successes at his church and others Sonderman shows leaders how to motivate and mobilize their men to minister to each other Readers learn what men are looking for today how men grow spiritually and how to develop a leadership pipeline in their church

Men who Batter Nancy Nason-Clark, Barbara Fisher-Townsend, 2015 Men who act abusively have their own story to tell a journey that often begins in childhood ripens in their teenage years and takes them down paths they were hoping to never travel Men Who Batter recounts the journey from the point of view of the men themselves The men's accounts of their lives are told within a broader framework of the agency where they have attended groups and the regional coordinated community response to domestic violence which includes the criminal justice workers e.g. probation parole judges and those who staff shelters and work in advocacy Based on interview data with this wide array of professionals we are able to examine how one community in one western state responds to men who batter Interwoven with this rich and colorful portrayal of the journey of abusive men we bring twenty years of fieldwork with survivors and those who walk alongside them as they seek safety healing and wholeness for themselves and their children Women who have been victimized by the men they love often hold out hope that if only their abusers could be held accountable and receive intervention the violence will stop and their own lives will improve dramatically as a result While the main purpose of Men Who Batter is to highlight the stories of men told from their personal point of view it is countered by reality checks from their own case files and those professionals who have worked with them And finally interspersed within its pages is another theme finding religious faith or spiritual activity in unlikely places
