Geneva Bible, the KJV, and the NKJV? Rick Norris, 2017-09-03 This thought provoking book discusses a scripturally based view of English Bible translations such as the Geneva Bible the KJV and the NKJV It considers and responds to several KJV only allegations against the NKJV with many facts from the Geneva Bible the KJV and the NKJV It demonstrates that a consistent application of KJV only allegations would harm the KJV itself Problems with inconsistent human KJV only reasoning are properly exposed

In His Name E. Christopher Reyes, 2014-08-15 One naturally assumes that when they listen to their Pastor Reverend or Priest that they speak the truth and takes for granted that when the Pope speaks he also speaks the truth Yet few Christians are conscious much less concerned to hear about the truth or of how they have been deceived for centuries and betrayed again by their sacrosanct religious institutions bent upon enriching themselves by their ignorance of the faiths history and gullibility This book deals with the truth the truth which many Christian sects do not wish to convey to their followers For almost two thousand years Christians have maintained that Jesus was God incarnate a sinless man a man born of a virgin mother a man who was the embodiment of perfection on earth which is unflinchingly stated in their Christian Bibles the New Testament Jesus Who did no sin neither was guile found in his mouth I Peter 2 22 King James Authorized Version Cf Luke 2 48 Joseph is Jesus father We are dying today from the fact of not having anyone who knows how to lay down his life for the Truth Pierre Teilhard de Chardin S J quoted in *The Jesuits The Society of Jesus and the Betrayal of the Roman Catholic Church* by Malachi Martin author of *Vatican and The Final Conclave* pg 286 1987

Biblical Criticism in Early Modern Europe Grantley McDonald, 2016-07-27 Medieval western theologians considered the Johannine comma 1 John 5 7 8 the clearest biblical evidence for the Trinity When Erasmus failed to find the comma in the Greek manuscripts he used for his New Testament edition he omitted it Accused of promoting Antitrinitarian heresy Erasmus included the comma in his third edition 1522 after seeing it in a Greek codex from England even though he suspected the manuscript s authenticity The resulting disputes involving leading theologians philologists and controversialists such as Luther Calvin Sozzini Milton Newton Bentley Gibbon and Porson touched not simply on philological questions but also on matters of doctrine morality social order and toleration While the spuriousness of the Johannine comma was established by 1900 it has again assumed iconic status in recent attempts to defend biblical inerrancy amongst the Christian Right A social history of the Johannine comma thus provides significant insights into the recent culture wars

A Primer on Salvation and Bible Prophecy Larry Alavezos, 2010 Countless Christians throughout the ages have asked the question What must I do to be saved This question will only intensify as the world draws to a close and as more and more people seek answers as to their final destiny Fortunately the unfailing Word of God holds all the answers We can be sure of our destiny and the events that will take place at the close of history by studying Bible prophecy A Primer on Salvation and Bible Prophecy takes readers on a journey through Daniel and Revelation in search of answers to questions about how to be saved what the future holds and how the world will end Dr Larry Alavezos helps readers make the connection between Bible prophecy and historical events

thus solidifying the accuracy of the Bible and the power of God's Word With the Bible as our guide we need not fear for the future But it is our responsibility to be prepared for the impending world crisis Don't wait until it is too late A Primer on Salvation and Bible Prophecy will be your guide as you study two of the most important books of the Bible Daniel and Revelation *Assault on the Remnant* Ted Schultz, 2016-06-17 It is an interesting fact of history that as the Reformation progressed the Reformers adopted the Received Text in union with the Waldenses the Jesuit inspired counter Reformation adopted the Latin Vulgate and the Vaticanus What do we see today Most of the modern versions are based upon the text of the counter Reformation In addition we see increased negativity toward the Textus Receptus and the King James Version This has not been without adverse effects upon all of Protestantism and Adventism specifically This book provides insights into the causes and effects that the doctrinal pluralism of the common text Bibles of the counter Reformation have had on Adventist doctrine Since doctrinally pluralistic Bibles cannot function as self interpretive units an interpretive authority from outside of Scripture is brought into play As a result creedalism is overtaking Biblical authority History has demonstrated the sure results of this misplaced authority
