Where Is God? John Townsend, 2012-07-23 Hard times make us look for God Everyone has problems But if we could solve all our difficulties ourselves would we ever search for God Psychologist John Townsend says It is actually the very unfixability of our problems and our powerlessness to bring right results that keep us asking Where is God With a compelling narrative Townsend offers new insights into the pursuit for God s help and presence Designed to give readers hope and meaning he divides the discussion into three parts Why does a loving God allow us to experience difficulties How is God active in the middle of our hard times How can I find God With powerful stories and practical applications Where Is God assures readers that even when it feels as though God is absent it is his nature to be in relationship to connect with love and guide us And when we seek him with all our heart soul mind and strength he shows up in ways that transform us forever **Reports of the Missionary and Benevolent Boards and Committees to the General Assembly of the Presbyterian Church in the United States of America** Presbyterian Church in the U.S.A., 1894 **Sunday School Times** , 1882 Fire Bible-NIV-Student Hendrickson Publishers, 2010-04 Igniting a Generation in the Life of the Spirit Throughout Scripture fire often symbolizes the presence power and work of God And ultimately God s fire is meant to explode within his people as a passion for him and his purposes Ignite the hearts of the next generation with the Word of God when you give them this youth Bible that s packed with helpful information on living the Christian life in the fullness of the Spirit Created by Life Publishers International SPECIAL FEATURES Trusted NIV translation Concordance Themefinders track 12 important topics through the Scripture Book introductions with note taking space Extensive bottom of page notes 45 in text maps and charts Easy to use detailed cross reference system More than 80 key issue articles Commentary from a Pentecostal perspective Subject index for topical studies Glossary of practical definitions of terms and concepts 7 point black letter type *Fire Bible Student Edition* black Bonded Leather Hendrickson Publishers, Carey Huffman, 2010-04 Igniting a Generation in the Life of the Spirit Throughout Scripture fire often symbolizes the presence power and work of God And ultimately God s fire is meant to explode within his people as a passion for him and his purposes Ignite the hearts of the next generation with the Word of God when you give them this youth Bible that s packed with helpful information on living the Christian life in the fullness of the Spirit Created by Life Publishers International SPECIAL FEATURES Trusted NIV translation Concordance Themefinders track 12 important topics through the Scripture Book introductions with note taking space Extensive bottom of page notes 45 in text maps and charts Easy to use detailed cross reference system More than 80 key issue articles Commentary from a Pentecostal perspective Subject index for topical studies Glossary of practical definitions of terms and concepts 7 point black letter type *Beyond Struggle* Jeanne d'Arc Uwanyiligira, 2012-11-13 As a genocide survivor and a wanted person After I had made the great step in achieving healing and deliverance when Satan failed to maintain me among his hostages as I got strength to forgive and heal After a long struggle and a muddy journey towards deliverance and healing I thought this
