

Using Your Washer

⚠ WARNING

Fire Hazard

Never place items in the washer that are dampened with gasoline or other flammable fluids.

No washer can completely remove oil.

Do not dry anything that has ever had any type of oil on it (including cooking oils).

Doing so can result in death, explosion, or fire.

First wash cycle without laundry

Before washing clothes for the first time, if not completed during the final installation step, choose the QUICK WASH cycle and run it without clothes. Use only HE detergent. Use 1/2 the manufacturer's recommended amount for a medium-size load. This initial cycle serves to ensure the interior is clean before washing clothes.

1. Sort and prepare your laundry

Sort items by recommended cycle, water temperature, and colorfastness. Separate heavily soiled items from lightly soiled. Separate delicate items from sturdy fabrics. Treat stains promptly and check for colorfastness by testing stain remover products on an inside seam.

IMPORTANT:

- Empty pockets. Loose change, buttons, or any small object can plug pumps and may require a service call.
- Close zippers, fasten hooks, tie strings and sashes, and remove non-washable trim and ornaments.
- Mend rips and tears to avoid further damage to items during washing.
- Turn knits inside out to prevent pilling. Separate lint-takers from lint-givers. Synthetics, knits, and corduroy fabrics will pick up lint from towels, rugs, and chenille fabrics.
- Do not dry garments if stains remain after washing, because heat can set stains into fabric.
- Always read and follow fabric care labels and laundry product instructions. Improper usage may cause damage to your garments.

⚠ WARNING

Electrical Shock Hazard

Plug into a grounded 3 prong outlet.

Do not remove ground prong.

Do not use an adapter.

Do not use an extension cord.

Failure to follow these instructions can result in death, fire, or electrical shock.

2. Add laundry products (if desired)

Single-dose laundry packet, On-type boosters, color-safe bleach, or fabric softener crystals can be added to the drum prior to adding laundry.

NOTE: Do not add clothes to washer drum prior to adding laundry products. Always follow manufacturer's instructions.

3. Load laundry into washer

Place a load of sorted clothes loosely in the washer. Items need to move freely for best cleaning and to reduce wrinkling and tangling. Close the washer door by pushing it firmly until the latch clicks.

- Depending on load type and cycle, the washer can be fully loaded, but not tightly packed. Washer door should close easily. See "Cycle Guide" for loading suggestions.
- Mix large and small items and avoid washing single items. Load evenly.
- Wash small items in mesh garment bags. For multiple items, use more than one bag and fill bags equally.

Whirlpool Duet Washer Use And Care Guide

Robyn Waters

Whirlpool Duet Washer Use And Care Guide:

Laundry Cheryl Mendelson, 2009-11-24 From the author of the bestselling Home Comforts comes a spin off of one of the most often consulted topics in the classic book on housekeeping For Cheryl Mendelson laundering is the best part of housekeeping It s full of physical pleasures the look of favorite clothes restored to freshness and beauty the tactile satisfaction of crisp linens in beautifully folded stacks Good laundering preserves things you love and protects your pocketbook It doesn t take much time or effort What it takes is knowledge and Laundry is the comprehensive entertaining and inspiring book on the art of laundering Culled from the bestselling Home Comforts with revised and updated information and a new introduction Laundry is an indispensable guide to caring for all the cloth in one s home from kitchen rags to bedding hand washables and baby clothes to vintage linens Mendelson offers detailed guidance on when to disregard labels removing stains making environmentally informed choices sewing and storing clothing and fabrics A much needed antidote to the standard issue how to manual Laundry celebrates the satisfactions of ironing folding and caring for clothes and linens Both pragmatic and eloquent Mendelson provides beginning and veteran homemakers with a seamless combination of reliable instruction time tested advice and fascinating personal narrative Writing with infectious love and respect for her subject Mendelson is sure to instill in readers a newfound affection and appreciation for the art of laundering **Vault**
