Wild Within How Rescuing Owls Inspired A Family:

Wild Within Melissa Hart, 2014-08-05 Melissa Hart a desperately lonely young divorcee and L.A. transplant finds herself stranded in rainy Eugene Oregon working from home in the company of her two cats and two large mutts At the local dog park she meets a fellow dog owner named Jonathan a tall handsome man with a unibrow and hawk like nose When he invites her to accompany him on a drive to Portland to retrieve six hundred pounds of frozen rats and a fledgling barred owl sparks fly Their courtship blossoms in a raptor rehabilitation center where wounded owls eagles falcons and other iconic birds of prey take refuge and become ambassadors for their species Initially Melissa volunteers here in order to sink her talons into her new love interest but soon she falls hopelessly in love with her fine feathered charges Archimedes a gorgeous snowy owl Lorax a serene great horned owl and Bodhi a baby barred with a permanently injured wing Even as human habituated birds they retain a wildness that hoodwinks even the most experienced handlers Overcoming her fears Melissa bravely suffers some puncture wounds to get closer to these magnificent creatures Melissa and Jonathan start out convinced they don't want children but caring for birds who have fallen from their nests triggers a deep longing in Melissa to mother an orphaned child Thus they embark on a heart wrenching journey to adoption Every page sparkles with vivid imagery and wit in this beautifully written memoir of parallel pursuits Wild Within is above all about the power of love romantic animal and parental to save lives and fulfill dreams

Blended Samantha Waltz, 2015-04-28 95 million adults have a step relationship according to a 2011 report That's 95 million unexpected experiences 95 million unique perspectives 95 million laughs 95 million tears and 95 million new families Blended explores stepfamilies from the inside out through the perspectives of thirty writers who know what it's like first hand Sometimes funny often poignant and always deeply personal the stories in Blended capture the essence of stepfamilies in all of their weird and wonderful varieties The journeys range from the first encounters between new step relatives to marriages honeymoons daily experiences and divorces The diverse voices in Blended reflect the realities of today's world in which yesterday's ideas of family structures and types just don't cut it anymore Parents children siblings aunts uncles grandparents cousins all of these relationships change when families are melded into one and the writers of Blended help explore the truth of what these new relationships look like and especially feel like Blended offers something for everyone laughter wisdom empathy and guidance and above all the knowledge that you are not alone

Avenging the Owl Melissa Hart, 2016-04-05 A long time ago in a galaxy far far away Han Solo avenged the destruction of an innocent planet by helping Luke Skywalker blow up the Death Star Han walked away with a gold medal and the love of his life But when Solo Hahn named in honor of the beloved action hero tries to avenge the death of his gray and white kitten he gets eight months of community service Eight months of working at the local raptor center helping owls his now sworn enemies For the first time in his life Solo is labeled a troubled kid an at risk youth He'd always gotten good grades had good friends and gotten along with his parents He used to volunteer to read Reader's Digest to old people at the retirement home

next door and his favorite thing in the whole wide world was to surf He wrote screenplays for fun But when his parents uproot him and move the family from California to backwoods Oregon Solo starts to lose track of the person he was Everything is upside down and he finds himself dealing with things way beyond his understanding He s the new kid in town and he s got a bad reputation The question is What will he do next This is a story about staying true to yourself when things get tough Solo has every reason to lash out but he ultimately needs to find a way to cope Avenging the Owl deals with the difficult issues of suicide and depression but more than anything it captures the powerlessness of being a kid It won t be easy but the wild beauty of Oregon its cold empty beaches and captivating wildlife may be just what Solo and his family need to help them start over **Talking Book Topics** ,2016 Kliatt Young Adult Paperback Book Guide ,2004 The World Encyclopedia of Christmas G. Messages from an Owl Max R. Terman, 1997-10-01 When zoologist Max Terman came to the rescue of a great horned owlet in a Kansas town park he embarked on an adventure that would test his scientific ingenuity and lead to unprecedented observations of an owl's hidden life in the wild In Messages from an Owl Terman not only relates his experiences nursing the starving owlet Stripey back to health and teaching it survival skills in his barn but also describes the anxiety and elation of letting a companion loose into an uncertain world Once Terman felt that Stripey knew how to dive after prey he set the owl free At this point his story could have ended with no clue as to what the young bird's fate would be had it not been for Terman's experimentation with radio tags By strapping the tags to Stripey he actually managed to follow the owl into the wild and observe for himself the behavior of a hand reared individual reunited with its natural environment Through this unique use of telemetry Terman tracked Stripey for over six years after the bird left the scientist's barn and took up residence in the surrounding countryside on the Kansas prairie The radio beacon provided Terman with information on the owl's regular patterns of playing hunting exploring and protecting It enabled him to witness the moments when Stripey was bantered and mobbed by crows when other owls launched fierce attacks and when a prospective mate caught Stripey's eye On occasional returns to the barn the owl would follow Terman around as he performed chores usually waiting for a handout Until now scientists have generally believed that an owl nurtured by humans becomes ill adapted for meeting the challenges of life in the wild Terman's research proves otherwise Stripey surpassed all expectations by becoming a totally independent wild creature With Terman however Stripey remained tame allowing the author to explore something one rarely sees in owls

a warm interest in humanity Terman engagingly re creates this dimension of Stripey as he describes with humor and compassion the daily challenges of probing the life of a phantom winged tiger Originally published in 1997 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
