Blake & Dante Silvia De Santis, 2017 Blake's Dantesque illustrations are the result of dialectics involving and questioning the very premises political theological and poetic of the Commedia Yet this very issue did not prevent the artist from rendering at times more efficaciously and more profoundly than any other illustrator Dante's unique atmospheres Blake's approach thus enables us to revisit the Commedia from unaccustomed privileged angles on the one hand we have great visionary poetry reflecting on itself and on the other the image that translates the poetic word transforming it into a new creation able to shed an original light on important aspects of Dante's work and thoughts SILVIA DE SANTIS obtained her PhD in Romance Philology from the University La Sapienza of Rome and subsequently a Diploma as Archivist Paleographer at the Vatican School of Paleography Diplomatics and Archives Administration Parallel to her interest in Dante and especially in connection with William Blake her main research interests concern Occitanic old French and old Italian philology and linguistics She has edited with the transcription of the melodies *Il Mistero provenzale di sant Agnese* Rome 2016 She has been Post doc Researcher in the Department of Studi Europei Americani e Interculturali of the University La Sapienza of Rome where she studied the lexicon

Flaxman's Illustrations for Dante's Divine Comedy John Flaxman, 2013-02-20 These 110 deceptively simple illustrations are the great achievement of English artist John Flaxman Awash in pathos and recalling a classically Greek style they have inspired such artists as Goya and Ingres *William Blake's Illustrations to the Divine Comedy of Dante* Albert Sutherland Roe, 1950 The Traveller in the Evening - The Last Works of William Blake Morton D. Paley, 2007-11-08 There has never been a book about Blake's last period from his meeting with John Linnell in 1818 to his death in 1827 although it includes some of his greatest works In *The Traveller in the Evening* Morton Paley argues that this late phase involves attitudes themes and ideas that are either distinctively new or different in emphasis from what preceded them After an introduction on Blake and his milieu during this period Paley begins with a chapter on Blake's illustrations to Thornton's edition of Virgil Paley relates these to Blake's complex view of pastoral before proceeding to a history of the project its near abortion and its fulfillment as Blake's one of greatest accomplishments as an illustrator In *Yah and His Two Sons* the presentation of the divine except where it is associated with art is ambiguous where it is not negative Paley takes up this separate plate in the context of artists' representations of the Laocoön that would have been known to Blake and also of what Blake would have known of its history from classical antiquity to his own time Blake's Dante water colours and engravings are the most ambitious accomplishment of the last years of his life and Paley shows that the problematic nature of some of these pictures with Beatrice Addressing Dante from the Car as a main example arises from Blake's own divided and sharply polarized attitude toward Dante's Comedy The closing chapter called Blake's Bible is on the Bible related designs and writings of Blake's last years Paley discusses *The Death of Abel* addressed to Lord Byron in the Wilderness as a response to its literary forerunners especially Gessner's *Death of Abel* and Byron's *Cain* For the *Job* engravings Paley shows how the border designs and the marginal texts set up a dialogue with the main illustrations unlike anything in Blake's *Job* water colours on the same subjects Also included here are Blake's last pictorial work on a Biblical subject *The Genesis* manuscript and Blake's last writing on a Biblical text his vitriolic comments on Thornton's translations of the Lord's Prayer **William Blake** Michael Davis, 2023-12-22 *Dante Studies*, 1920 **William Blake: Selected Poems** William Blake, 2019-01-25 To see a World in a Grain of Sand And a Heaven in a Wild Flower Hold Infinity in the palm of your hand And Eternity in an hour William Blake wrote some of the most moving and memorable verse in the English language Deeply committed to visionary and imaginative experience yet also fiercely engaged with the turbulent politics of his era he is now recognised as a major contributor to the

Romantic Movement This edition presents Blake's poems in their literary categories and genres to which they belong his much loved lyrics ballads comic and satirical verse descriptive and discursive poems verse epistles and finally his remarkable prophetic poems including the whole of his two diffuse epics Milton and Jerusalem Blake's poetry is intellectually challenging as well as formally inventive and this edition has a substantial critical introduction which places his ideas in the contemporary context of the Enlightenment and the artistic reaction against its key assumptions
