Smith Scott A. McLean, Michael E. Vance, 2008-11-10 Many writers of the late nineteenth and early twentieth centuries emphasized the virtues of early rural pioneers and life on the land as a general criticism of what they perceived to be the negative alienating influence of Ontario's rapid urban and industrial expansion Such work often highlighted the difficulties the recent emigrant faced the clearing of forest and the breaking of new ground the isolation and long Canadian winters however they in turn celebrated the progress demonstrated in the pioneer's domination over nature the establishment of thriving communities and the extension of transportation networks William Wye Smith a popular nineteenth century Upper Canadian poet was no exception Smith prepared his Canadian Reminiscences a hand written compilation of anecdotes collected during his lifetime that relate to his experience as journalist clergyman and son of Scottish settlers to provide his

own unique perspective of pioneer life This fully annotated version of Smith's unpublished manuscript highlights Smith's unwitting testimony to the social life of the province his relationship to the construction and maintenance of Scottish and Canadian identity as well as his position in literary history **The Publisher** ,1905 **Video Source Book** ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction The Publishers' Circular and General Record of British and Foreign Literature ,1869 The Publishers' Circular Sampson Low,1869 **The Publishers' Circular and Booksellers' Record** ,1926 *The Universal Vampire* Barbara Brodman,James E. Doan,2013-03-08 Since the publication of John Polidori's *The Vampyre* 1819 the vampire has been a mainstay of Western culture appearing consistently in literature art music notably opera film television graphic novels and popular culture in general Even before its entrance into the realm of arts and letters in the early nineteenth century the vampire was a feared creature of Eastern European folklore and legend rising from the grave at night to consume its living loved ones and neighbors often converting them at the same time into fellow vampires A major question exists within vampire scholarship to what extent is this creature a product of European cultural forms or is the vampire indeed a universal perhaps even archetypal figure In this collection of sixteen original essays the contributors shed light on this question One essay traces the origins of the legend to the early medieval Norse draugr an undead creature who reflects the underpinnings of *Dracula* the latter first appearing as a vampire in Anglo Irish Bram Stoker's 1897 novel *Dracula* In addition to these investigations of the Western mythic literary and historic traditions other essays in this volume move outside Europe to explore vampire figures in Native American and Mesoamerican myth and ritual as well as the existence of similar vampiric traditions in Japanese Russian and Latin American art theatre literature film and other cultural productions The female vampire looms large beginning with the Sumerian goddess Lilith including the nineteenth century *Carmilla* and moving to vampiresses in twentieth century film literature and television series Scientific explanations for vampires and werewolves constitute another section of the book including eighteenth century accounts of unearthing decapitation and cremation of suspected vampires in Eastern Europe The vampire's beauty attainment of immortality and eternal youth are all suggested as reasons for its continued success in contemporary popular culture *Catalogue of the Books in the Central Lending Department* Public Libraries (Newcastle-upon-Tyne),1880 **A Monthly List of All New Books Published in Great Britain** ,1844 **Bulletin of the Library Company of Philadelphia** Library Company of Philadelphia,1892 *Bulletin* Library Company of Philadelphia,1894 Bulletin of the Library Company of Philadelphia ,1893 **The Annual Library Index** ,1907 Including periodicals American and English essays book chapters etc bibliographies necrology index to dates of principal events *The Academy* ,1894 Missionaries, Indigenous Peoples and Cultural Exchange Patricia Grimshaw,Andrew May,2009-11-03 Presents fresh insights into the relationships between missions and indigenous peoples and the outcomes of mission activities in the
